Run: 2370

Date: 13 July 2017

Venue: Riffle Range

Hare: Grasshopper

GM's Run Notes

Lucas' run the last time at the same venue was a rock climbing fest and you had to be as nimble as a Billy Goat to climb. He repeated the same for his run this time around with a few variations thrown in but the views from some of the rocks was superb!!

The last time two sweet young girls from the Netherlands, who had never hashed before, climbed the trail in their flip-flops accompanied by our ever gracious but eagle-eyed Iceman. But alas for him there were no such unattached females this week. We did have six guests however and along with the 33 members and other invitees we did all manage to find parking thankfully.

Our newest member Kasia, arrived on a motorbike and even she managed to find the runsite unlike Polish Piper who drove straight past the standing hashers and needed phone instructions from Money to find us!!

As the hashers gathered we got curious stares and smiles from adults and children alike as the run site was next to the playground. The hashers went off to the bush and the remaining crowd waited anxiously for Samy's beer truck to make an appearance.

GM's Run Notes continued...

An hour later the FRBs started to return and the others trickled in, including a hot looking Kasia, after that. The last to return were Silentman and Smiling Horse who we know take their own time and sweep at the back.

The delicious food was being tucked away nicely and queues for seconds and thirds were formed. Not to be outdone Mem Sahib got out two containers containing Chempadak and Durian for the crowd to share. The evening was going very nicely and so we had the circle.

***** Next Week we are at Kali's Corner (Shamrock Beach watertank)
for Black German's run. Please come and support him *****

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Iceman charged Johnny Walker and Black Label with only ever talking to each other at the run and not to other people. Iceman said they can talk to each other at home, at they run they should socialise more!!

A charge from the floor by Money saw the GM on ice. When the GM arrived earlier Money noticed that her car tax disc was out of date unbeknown to the GM. So for the past 6 months she had been travelling around with an illegal car. "But it's insured and taxed she stated. It's Akz Hole's fault for not putting the disc in the car". (Good news though, the disc was found the next morning and put into the car, so all is legal now!!...Ed)

Hash House Harriets Penang

Another charge from the floor saw Ronnie Tour put Speedhound on ice. The charge was for being too fast to see the paper and going the wrong way and Ronnie having to show her the way!!

The Circle

Miss Bollywood then charged Botak Chin with 'losing' his S&P agreement in the shopping Mall and having to go find it. Botak Chin replied it was a ploy as the counter girl was very attractive and he just wanted to go back and see her again!!

Sai Seng then made a plea in the circle. Apparently last week hashers were seen trying to open fallen durians whilst on the run. On the following Monday Sai Seng was laying a trail in the same area and was harangued by the farmer for the offence.

In future PLEASE DO NOT TAKE, PICK UP OR EAT THE FRUITS IN THE PLANTATIONS WE USE FOR OUR RUNS.

Hare on ice. Many thanks Grasshopper for a great run, delicious food and for the free beers. It was another great evening and many stayed until late in the night.

Harriet Humour

Every home should have one!

A husband is walking behind wife and says. "Your bum is getting so big it looks like an old washing machine."

The wife says nothing and keeps walking.

Bedtime comes around and the husband starts getting amorous.

Wife says, "I'm not starting the old washing machine for such a small load. You'll have to do it by hand!"
