GM's Run Notes

Run: 2371

Date: 20 July 2017

Venue: Shamrock Beach Watertank

Hare: Black German

The run set only took us 2.5 hours and the hardest part was the ending. I must admit I also didn't like the overgrown path near the stream, which only had a trickle of water running through it, for fear of any lurking snakes!! Once back Kali was waiting for us with beer, 100+ and an invitation to lunch but I needed to get back so I declined his generous offer.

Returning in the evening I found only a smallish group of hashers ready for the run. After parking Money strolled over to check on my car tax, which, up to last week, had been lying in an envelope for the last six months but was now clearly displayed on the windshield!! After the usual spiel and guest introductions off they all went.

Rupiah helped me to stamp the cards and showed me photos of the group who had hiked in Trengganu and climbed the ridge to see the highest waterfall on the peninsula. Even Counterfeit was there too, which was a surprise!!

GM's Run Notes continued...

Within the hour Allyson and the General returned followed by the other FRBs. Others trickled in as darkness fell but the slow ones still were not out including Kali who was acting as sweeper. Uncle Bee started to serve the food from the back of her car as the table was in Kali's car, when finally they returned. Snapcop then dropped his bike key near to Uncle Bee's car but despite torchlight and lots of pairs of eyes looking, it was all to no avail it seems!! Fortunately someone else had a key which at least unlocked the bike.

Even with a small crowd there was plenty going on and once they quieted down we opened the circle by introducing the guests.

***** Next Week we are at Beverley Hills for Uncle Bee's run.**

A charge from the floor then saw invitee Audrey @ Wet In Between, on ice. She came out in the dark escorted by Black German. But then someone noticed her pants were rather dirty and hence she was closely questioned as to what she and BG had been doing in the dark!!

As one would with a lovely young woman and a randy old man!!

Wet in Between then put Black German on ice. She thanked him for looking after her on the run and being ever so kind in sending her job adverts. One was for the Bomba but that would mean having to be a pole dancer she said and the other one was expired already!!!! (Anything to keep her here I say!! Ed)
