Run: 2374

Date: 10 August 2017

Venue: Pekaka

Hare: Mission Impossible

GM's Run Notes

I thought all these years that 'The Wall' only existed in Game of Thrones but there is also one when you do the climb from Taman Pekaka. It goes up and up and UPPPP!!!! The last run we did there was when the VGM got stung by the bees but thank goodness nothing like that happened this time around.

The run setting time was rearranged at the last moment from 9.30am to 1.30pm and so I excused myself. The hare, Mission Impossible, was celebrating his birthday and he had invited some mentally challenged children to dinner and to cut the cake. The hashers were flagged off at 6.00pm and about 45 mins later the children arrived. As they helped themselves to the fruits and drinks we fully expected the FRBs to be making an appearance any moment but no!! We waited and waited and waited!!

The time crept to 7.00pm then 7.30 before Speedhound, Imposter and Money arrived back. They were saying what a tough run it was and that it went up 'The Wall' and was more suited to another day not for a celebration party day. By 8.00pm Johnny Walker and Black label returned and my concern grew for Toddy Tan who had gone in early at 5.30pm and had still not returned but thankfully had been seen by the other returnees making his way down.

GM's Run Notes continued...

By this time the children had thankfully eaten but were awaiting the cake cutting ceremony. By 8.30pm the Hare decided that it could wait no longer and so the cake was cut and eaten and the children returned to the home.

Hashers were still out and so dinner was delayed for the rest. Finally at 9.15pm Woody returned on the back of Sai Seng's motorbike, completely exhausted and dehydrated. He just about managed to sit down before collapsing. Bai Pass and Silentman, who had been with him, arrived back and dinner was finally served at 9.30pm but poor Woody was still not recovered enough to eat.

With dinner out of the way we had the circle at 10.00pm, under cover since by now it was pouring rain. I did feel sorry for the Hare since his plans were for an earlier dinner and an easier run but it seems the co-hares planned on a tough one thereby disregarding his request. Having a tough run is fine but today was not the day to have it, since arrangements had been made for the children and the food and all were delayed.

However thank you to Mission Impossible for the tough run, the great dinner and the subsidised beer. Thankfully there were no mishaps this time around and all survived 'The Wall'.

The GM then put the Co-hares, Goodyear and Sai Seng, on ice for setting such a difficult run when a simpler one for the day was needed.

Johnny Walker then charged the GM with always wearing the same t-shirt and so he presented her with another and asked her to wear it which she promptly did!!
