GM's Run Notes

We had 26 members , 4 invitees plus 2 guests for GeeMan's run at Batu Gantong. One of the guests later became a member!! Welcome to Woodpecker! GeeMan had set the run the previous day with another friend and he wanted Hashers to actually do the run this time as no-one completed his run the last time he set!!! He explained that he only clipped paper every 20m unlike the usual paper clipped every 2 steps!!

Off they all went and after they had disappeared Gray Ham arrived wanting to do a walk, his first since recovering from a fall on another run a little time ago. Some tourists also arrived with children who also wanted to do a walk. Meanwhile a guy turned up with a bucket and scoop to collect all the dung left behind by a herd of cows who pooed and peed right in the middle of the car park. GeeMan suddenly remembered he had forgotten a table so quickly left to get one from home which was fortunately not too far away.

An hour later Iceman returned with Virgin Handbag hot on his heels. Imposter followed soon afterwards. They all complained about the lack of paper and that the spacing between the pieces was too far apart!! The slower runners came back from the wrong direction saying there was no paper to be seen. By 7.30pm all were back including our new member Woodpecker. Silentman came back holding some plants and went straight to his bike to deposit them lovingly there.

GM's Run Notes continued...

The delicious pork chop and vegetable stew complimented by rice was superb and more than plentiful. The generous Hare went further to subsidise the beer which was flowing rather well too and if it had not been a working day on Friday I am sure many would have stayed much later than they already were!!

Thank you GeeMan for such a lovely evening with a good run and great food and drink!!

The Circle

Welcome to all our guests, both paying and invitees.

The GM then put Marks and Spencer on ice. He has been missing for sometime allegedly with an illness which was only cured with a little blue pill bought in the 7-11 in Thailand....Tell us another one!!!

Hash House Harriets Penang

The GM then confused everyone by starting to describe someone who “had no life, no sex life and who only looked forward to Thursdays and coming to hash. Everyone was wondering who this could be when she promptly sat down on the ice herself as it was HER 600th run for the Harriets. CONGRATULATIONS.

A charge from the floor by Iceman saw the GM remain on the ice. The charge was that she had given too little paper to GeeMan to set the run with. He needed more than 24 pieces and was the Club too poor to afford paper.

The Circle

A second charge by Iceman saw Virgin Handbag take to the ice. He explained that VH always seemed to be slow when she first joined but now even he has to push hard to remain in front of her as she is that fast these days!

HARE ON ICE. Many thanks to GeeMan for a great evening. Good run (for those who found paper), superb food and subsidised beer. What more could be asked for??

Using profanity isn't very lady like.

Neither is your mustache.

Him: I don't know what to do. I can't get a job, or a girl. Nobody respects me.

Him: My dad drove me.
