GM's Run Notes

I am not going to say much about this week's run as I think the photos tell more of the story than I can. However I certainly want to pay tribute to the run setters who earlier in the day set a long run (6.1Km) over 4+hrs in HOT sunshine. It was tough work at that time of day and the climb to Cendana was tiring even though it was mainly on trail and it took an hour 30 for the first runner to be back. So, many thanks to you all: Sai Seng, Itchy Bai, Bullshitter, Texas Tits, Wobbly Tits, Shaolin, Beauty Queen (and the GM...Ed.)

I also would like to thank Biking Shelia for organising the food and decorating the place with National flags and to Mission Impossible for the use of his sound system. Thanks must also go to Heineken Marketing for subsidising the beers and to No Choice and Nick for sponsoring the soft drinks and water. Finally many thanks to YOU who turned up to support our Merdeka Day Run. We had 51 Members and 59 guests. Thank you all for making the event very successful. It makes the hard work worthwhile to see you all enjoying the day and even the weather was fantastic!

Thanks to Beauty Queen & Texas Bullshitter for photos setting the run. Thanks also to Akz Hole, Geeman and Biking Sheila for all other photos.

***** Next Week we are at Youth Park (past new car park) for Eddie Punk's run.**
Please come and support him ***

The GM then called out the Barchan Singh family to the ice. Barchan is an old hasher but he decided to bring the family along to our event. His daughters had not done any hashing but did the run. Kudos to them!!

The day was a special one for No Choice since it was her birthday. She was very happy to share the day though with all the August birthday members and guests. Happy Birthday to all.

A charge from the floor by Itchy Bai saw Inspector Gadget on ice. Gadget was charged with being fit but questioned as to why he didn't finish the run today. Probably as he was chasing pussy on the trail.

Hash House Harriets Penang

The Circle

A charge from the floor by Lim had the GM and Akz Hole on ice. Lim said that their combined weights were such that they should be an inspiration to other hashers as if they could do the runs, so could many others!!

A third charge from the floor, this time by Woodpecker, saw guest Richard on ice. The charge was told in a long story by Woodpecker but the mind attention of Hashers is but nanoseconds and so I have no idea what the charge was!!

A BIG BIG thank you to the day's run setters!!

FINALLY GOT MY SINK FIXED

I took my dad to the mall the other day to buy some new shoes (he is 66). We decided to grab a bite at the food court. I noticed he was watching a teenager sitting next to him.. The teenager had spiked hair in all different colours - green, red, orange, and blue. My dad kept staring at her. The teenager kept looking and would find my dad staring every time. When the teenager had had enough, she sarcastically asked: "What's the matter old man, never done anything wild in your life?" Knowing my Dad, I quickly swallowed my food so that I would not choke on his response; I knew he would have a good one! In classic style he responded without batting an eyelid "Got stoned once and fucked a parrot. Just wondering if you were my daughter."
