GM's Run Notes

We had 3 guests, 2 invitees and 1 new member, Darren, who decided he liked us enough to join as a member. Welcome to the Harriets.

The blazing hot morning made us wonder if it would stay that way till night or pour down in the evening and so Beauty Queen and Botak Chin made a bet with Black Condom as witness.

The trail we took was relatively easy and initially went across the cemetery and then climbing higher and higher as we kept on hitting the middle road. We came across a small stream on the left and decided to follow it which led us to an open area with a yappy dog. The place was deserted and the whole area behind had been cleared, so much so, it could be spotted from the ground below. We continued up and exited through a gap near the gate and then back to the runsite using the usual path coming from 39 and the steps. In the evening Darren and Pimp went in early claiming they were slow. The rest started on time and within the hour guest Crazy German was first back. The other Hashers came back with tales of being sworn at by an irate farmer whose place we had gone through!! Sorry about that.

By 7.30 all were back and waiting for the dinner gong. The aroma of the rice biriyani, chicken curry, veggies and egg sambal wetted the appetite and it was wolfed down and soon disappeared. The weather wasn't too bad. There was some drizzle to keep us company early on but that did not deter the Members waiting for the icing and drinking the golden nectar. It cleared up however and the evening was most enjoyable.

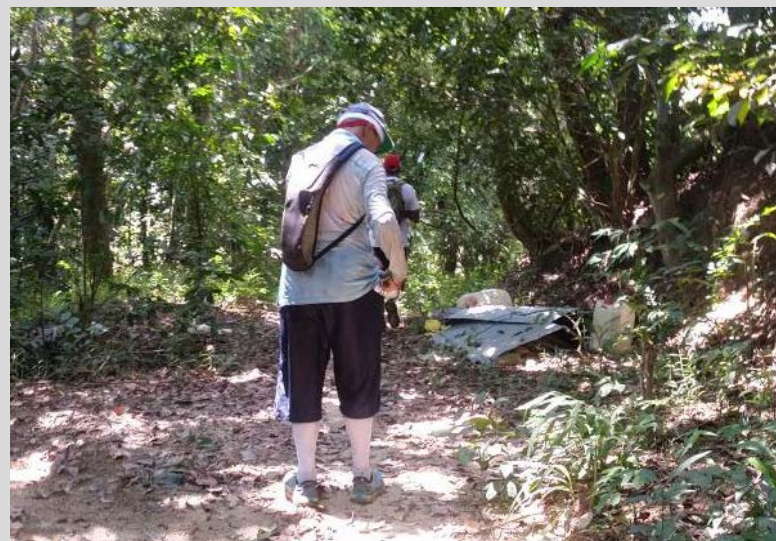

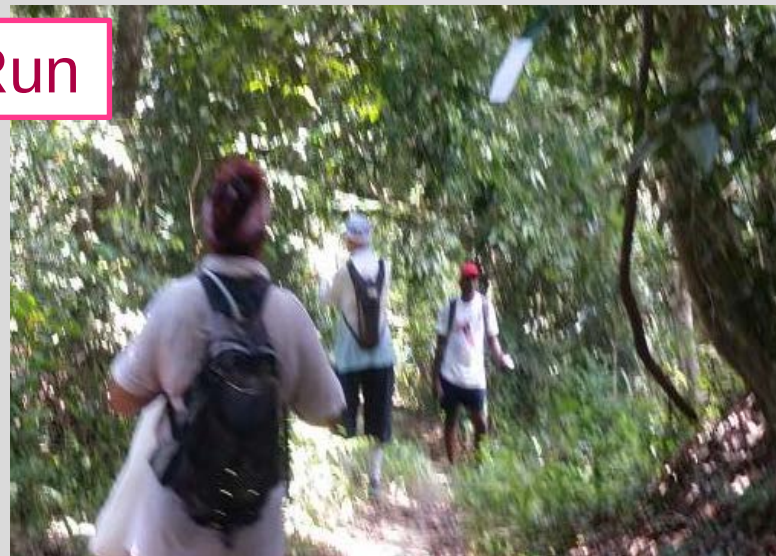

Many thanks to Black Condom for a good run, great food and subsidised beer. Thanks also to Akz Hole for also subsidising 2 crates.

The Circle

Welcome the guests and invitees. This week we had Grayham, Crazy German, Nyior and Dripping Dick. Take Care had disappeared by circle time.

Shit in the Pit was next on ice. He has been MIA for a while but turned up for dinner on this occasion having gone to the wrong run site initially and had to call to find out where to go.

The GM then put Crazy German on ice. He was covered by a towel and when sitting down was obviously showing his bits and pieces (not actually but figuratively). The GM wanted him to show the rest but it was somewhat lost in translation.

Welcome to our latest member Darren who has been a guest on a previous occasion and decided to join us. Darren hails from Australia so perhaps we'll have more Aussie songs from now on. Welcome and long may you run with us.

We missed celebrating the September Birthdays last week but made up for it this week. **HAPPY BIRTHDAY** to our September born members.

A charge from the floor by Botak Chin saw Beauty Queen on ice. BC told the assembled hashers about the bet earlier in the day regarding the weather. When BQ arrived at the run site she stopped her car and sprinkled water all over it to pretend that it had rained so that she would win her bet. However she was spotted doing it and therefore had to forfeit.

It was the GM's birthday the day before and Akz Hole's in 2 weeks. However they will be away so they shared a cake bought by their friends in celebration and in recognition of the work they put into the Harriets. Thank you. Happy birthday and have a great trip.

Ms Bollywood then put Botak Chin on ice for leaving her out of a thank you lunch he attended with the GM and Biking Sheila.

The last icing for the evening was of course our thanks to the Hare of the Day, Black Condom. It was a good run with delicious food and subsidised beer. It was another good Harriets' night and the rain held off too.

Always remember to read the instructions...

Fun fact: Humans are deuterostomes, which means that when they develop in the womb, the anus forms before any other opening. Which basically means at one point, you were nothing but an asshole.

Some people never develop beyond this stage.
