## GM's Run Notes

Run: 2388

Date: 16 November 2017

Venue: Leader Garden

Hare: Spermwhale

**This was the first run at Leader Garden since the floods and big storm we had a few weeks ago. We didn't know what to expect but soon found out!! Viking, Spermwhale, friend Richard who is a male nurse and came along to 'get the feel' of the jungle, Call Girl and myself went in the usual way and were immediately shocked to see the way blocked with fallen trees, landslides causing roots to be exposed and the standing trees barely holding on as the banks had all but gone. We couldn't get up the steps since a huge tree blocked the way and instead went the old way up the drain just to get started.**

**Finally reaching the first levels we proceeded to go right then crossed the stream to reach the trail on the other side heading towards Beverly Hills. Viking and I were discussing trail options whilst Spermwhale coughed his lungs out and the others took a quick breather. We decided on heading left off the track and so we diagonally descended the hill, climbing over more fallen tree trunks and met the stream once more at the bottom. There was plenty of water rushing by with mini waterfalls ...quite something to see rather than the normally placid looking stream. Not finding a route up to the ridge we decided to follow the stream for a while until we found a way up. It was a LONG way up too and seemed to go on forever until we finally came into the clearing on the ridge.**

## GM's Run Notes continued...

At this point we discussed the way down and decided on going by the middle path knowing that in the evening it would be getting dark early and from here should only take about a half hour to get back to the runsite. We started off happily but soon found things were not so simple as the terrain had drastically changed due to the storm and the normally clear paths were nowhere to be seen. It took us another 2 hours to find our way down and we ended up coming out at the PBA having obviously missed the left fork back up the hill.

Here too it was hard to find the route out and despite Viking saying we needed to go further down I had gone left too early and so we ended up weaving around fallen trees trying to find the correct path out which we finally did with Spermwhale making the comment he wasn't going back in to look for anyone who gets lost!! As it turned out though most people enjoyed the run even though it was longer than planned and some came out in the dark.

Which brings me nicely on to my next subject: This time of year it gets dark early especially if it is cloudy or raining. I hence encourage ALL Hashers to carry a TORCH with them and not to rely on others to provide this assistance. Please also carry water and a phone. Wearing good shoes with tread also helps in the jungle. **BUT PLEASE BRING A TORCH!!**

Many thanks to Spermwhale for a great evening, great food and subsidizing the beer and the weather held too!!

**\*\*\* Next Week we are at Permai Shop Lots for Shit in a Pit's run.**  
**Please come and support him \*\*\***

Welcome to our guests: Drag Queen and John (UK but based in KL), Melons, Adelya, and Dripping Dick all Penang.

The GM then put  
Spermwhale on ice, regaling  
us all with how he thought  
he was very good to set his  
own run despite the fact he  
had been ill with the flu and  
was coughing his insides out  
whilst setting!!

## The Circle

**Akz Hole made an announcement regarding the collection of money for the Christmas run which prompted Beauty Queen to request that we have Turkey. The GM put her on ice saying that she was the only one who wanted turkey but some wag responded that maybe there would be more of a queue to gobble her!!**

# Hash House Harriets Penang

## The Circle

A charge from the floor saw Kiss Me put Right Hand Drive on ice. Kiss Me then asked if RHD was making a fashion statement as his attire was extremely well co-ordinated, at least externally, with black and light blue colourings.

# Hash House Harriets Penang

## The Circle

The final icing for the evening saw Spermwahle back on the ice to receive thanks for the great run, good food and for subsidizing beers on the night.
