Hash House Harriets Penang

ANNOUNCEMENT

2018 Annual General Meeting

A couple of female members have gone out of their way to contact individual members with the sole purpose of discrediting the current committee and management of the club. They have behaved disgracefully, going so far as to spread their vicious rumors to several other chapters.

These females intend to disrupt the AGM with their own agenda. The AGM is very serious and will not be hijacked by individuals or used as a platform to throw accusations. This announcement is to serve as a reminder to those attending the meeting to ensure they conduct themselves in a respectful manner, failing which they will be asked to leave. There will be ZERO tolerance regarding slanderous accusations, lies or fabrications voiced by anyone at the AGM and legal action will follow.

Run: 2403

Date: 01 March 2018

Venue: Bee Gallery

Hare: CNY run committee

VGM's Run Notes

The AGM meeting will commence at 5.30 next week at TAR College. All financial members are encouraged to attend. Members are expected to be respectful if permitted to address the floor. The run will be at 6pm followed by the dinner at Yean Yean restaurant in Tanjong Bungah at 8pm.

I arrived early at the runsite, wanted to know if I could help out with the cooking, although the committee had already assured me everything was under control. So instead I had a chit chat with the girls while the cooking was in progress. Around 5.30 more hashers showed up and Molly helped me sorting out the run cards. We had one table with our stuff and FTAC who were running at Bee Gallery had another table with their stuff. I come back to that later.

Toddy wanted to go earlier and from what I understood from the hare, Sai Seng, it was more or less the same run as last Saturday, so I send him up the first bridge, follow paper and back via Lily pond.

At 6 most hashers had arrived so we started the run. We had 2 guests, Alex and Tara, never been in the jungle and never been in Asia before so they were looking forward.

Word from Sai Seng, up the second bridge and just follow paper, sorry Toddy, I was hoping he would find his way otherwise we need to look for him later. Of the runners went.

I did not do the run; instead I went to the Botanical Gardens to do a run there. Despite the hot weather it was very busy in the Gardens with people going out for a run or a stroll. After I had enough of it I went back to Bee Gallery. Where I wanted to change, but the MPPP had already closed the toilets, so were to change in this very public place in broad daylight? You can't so I didn't.

VGM's Run Notes continued...

While waiting for the hashers to return the Chinese Committee started to lay out the food. It all looked very nice. Oranges and cookies were on the table for everybody to take and eat.

The run was good according to the hashers who did the whole run. A good Chinese New Year run so you could be back on time and enjoy the food.

So far I did not see Toddy returning to the runsite. But Silent Man was also not back yet, so hopefully..... And yes back was Toddy. Ronnie Tour came and wanted to collect his keys. I gave him the bag but he said no I put my keys in the box. Which box, since we don't have a box only a bag? You lost my keys he started to say, no we did not, Molly was here all the time paying attention.

Then a light bulb went on, I asked Ronnie did you put your keys in a metal box, yes he said, ahhhhh that's the FTAC box that was on the other table. Then Woodpecker came and had the same problem. So a few calls were made, because the FTAC went already for dinner in the Paragon and the keys were much later in the evening retrieved by Sai Seng.

Dinner started with tossing the Yee Sang and after that we had delicious Chinese food, there was enough to go a second or a third round.

The Circle

We welcomed the guests Alex and Tara from Canada, they choose to sit on ice. They enjoyed the run and even ventured out in the jungle. They did not see any snakes but had fun.

The Circle

Next on ice Ronnie Tour and Woodpecker: How can you be so silly to put your keys in the wrong box, don't you see the difference between a Harriet or a FTAC member. Apparently not, Woodpecker's excuse was he simply followed Ronnie Tour.

I think the boys choir sang something like that they should be tied to their car keys, Ronnie Tour was not amused!

Next to be called forward was
Toddy Tan: Do you have a
charge? No he said, then you sit
on ice. Why were you on the
phone? Answer I needed to text
my girlfriend. Well spouses,
girlfriend even queen's can wait
till after the circle.

Charge from the floor:
Kissinger called Silent Man
on the ice. First he
recognized Silent Man for
being a very reliable
sweeper, week after week.
Then he told that since they
were both late so Kissinger
had a conversation with
Silent Man that lasted 19
words, he never heard him
talk so much. I proposed a
silent song, but the choir
took over.

The Circle

Next it was time to thank the Chinese Committee for a fabulous evening. Thank you for a good run, great food and also subsidized beer. It was decided that Hot Lips was on ice, she also renewed her membership. The choir sang their song, and she should be tied to a firecracker.
