### GM Note's

*Run: 2408*

*Date: 52 April 2018*

*Hare: Silent Man*

*Runsite: Leader Garden*

Those who did the run know the terrain from the countless runs we have done from this site. Nevertheless there are also so many ways in and out that even run setters get surprised especially when one thinks you are on one familiar path and you are not!!

Silent Man when in through the gate and then turned left. Up we all scrambled to keep up with him until we reached the 'bunker' above. The path turned to the right and our cue was to turn down until we hit the stream and then on up again. Again we dipped down to the PBA tar road and negotiating the fallen trees and branches we reached the clearing where Fancy Pants put a check much to Silent

Man's amusement. From there we went passed the water catchment area towards the hill.

It's a long climb up and once we reached the top we reached the clearing with the different paths going in various directions and Silent Man chose the middle path to go down. Going down we hit another crossroads and choose to go left which would lead us to the stream on the other side of the ridge. The trail looked easy but was far from it as it was overgrown and in one place there was nothing to hold on to and the best way was to slide down on your bum, where my 'extra padding' came in very useful!!

We reached the stream at the bottom and instead of crossing and climbing the hill the other side we decided to track along it instead. Here again it wasn't plain sailing as a landslide caused us to detour somewhat before we hit the trail home once more and after Silent Man went back to lay more paper, worried in case it was dark when the slow runners were coming out.

In the evening we had 4 guests Alvin, Andy, Amy and Scott. Toddy, as usual did the run minus his glasses. The other slow ones took a hike up and came back knowing there was no Silent Man on this run to bring them home. At 6.15pm I got a call from Darren who asked if the way back was up the bush as he and Jungle Jill were on the tar road in the PBA area. All I could think of was they had done the reverse run since they had gone in much earlier than the rest of the pack and to be only at the tar road after that amount of time was unreal if they were following the correct paper. I think they were not paying attention and followed long paper instead of looking for the logo paper which would, by the positioning of the logo, have told them which way round they were heading! Thankfully they reached the runsite just as the first FRB, Imposter, returned in an hour. Superfit guests Alvin and Andy had long left No Choice behind to be in with the front runners. They thoroughly enjoyed the run and promised to be back next week.

By 7.45pm Bibi Tulips, who was the last to start, was out and even Toddy fin-

ished before the last runner to a huge sigh of relief. Silent Man then got out the chicken curry and bread accompanied by fruits as the pack sat and enjoyed the food.

*Next week we are at Ivory Properties, Batu Ferringhi for Mini Sausage's run  
Please come and support him*

## Announcements On Sec

1. During last week committee meeting it was decided that when a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. Many asked for an outstation run. We propose to go to Ipop 5/6 May. Some hotels to consider are Ritz Garden, RM 125/night, incl. breakfast. Seemssoon, RM 128/night, incl. breakfast. Regalodge, RM 137/night, incl. breakfast. If you are interested to come and join please tell the VGM or the On Sec. Please let us know by Thursday.

## Circle

1. The first to be acknowledged were the guests who really enjoyed the run and the evening. Please do come back and run with us again.
2. Despite going in early Darren and Jungle Jill took their time in returning and the GM received a phone call asking the way back. It was puzzling as what they described was the way in not the way out. They had obviously done the run in reverse.

# Hash House Harriets Penang

3. Toddy was next on the ice. Always running without his glasses he often misses turns or follows wrong paper and oft comes out in the dark. Today however, he followed the paper correctly and was out before the last runner. Wonders do happen!!
4. The next on ice was Counterfeit who became our new committee member.
5. Kissing(h)er was next on the ice for being himself....disruptive during circle time.

# Hash House Harriets Penang

6. Polish Piper has become well known for his homemade sausages and seems to do a good trade in them especially with hashers (must be bangers and hash.. haha). BUT not during circle time says the GM putting both Polish Piper and Monkey King on ice for conducting banger business at the wrong time.
7. The last icing of the evening was the group's thank you to the Hare of the Day Silent Man. Good challenging run, good food.
- Many thanks for the evening's hosting.
