*Run: 2409*

*Date: 12 April 2018*

*Hare: Mini Sausage*

*Runsite: Ivory Properties*

Jungle Jill was bringing a friend to do a hike as she was impressed that JJ did the Hash. After warning all that Mini's runs tend to be challenging, some of us decided get a head start and so we arrived early at the runsite.

By the time I got there, which by the way was Monty's favourite runsite and his last Harriet's run was from here, it was past 4.30pm but we got ready and the paper for sure was pointing UP!!

As I lead the group of Darren, Jungle Jill and Vendy (the friend) I soon found myself putting distance between them when a shout from Darren told me the ladies were already struggling and were returning to runsite but that he would

# Hash House Harriets Penang

continue and catch up to me.

On and on I plodded and I stopped many, many times thinking Darren would catch up soon but he didn't! In the end I picked up a stick just to chase away the Tigers on the prowl and carried on, on my own!

Just as I climbed up the stone cliff I turned to admire the view from the height above and answer the many calls received regarding the whereabouts of the runsite. A sudden shout of ON ON from below, just where the bricks spelt out "Holy Rock", jolted me and Oyster Licker suddenly appeared. He had easily caught up with me and told how Goodyear and he had started early because of a dinner engagement later on! They had come across the two hapless ladies and helped them return before continuing on the run. Darren was continuing with the run however but was way back. Then as soon as they had arrived, they had gone disappearing into the bush with ease.

The ground became level and the trail carried on. All the while the paper was marked with either PH3 or PIH2 paper. In many places it took quite a bit of effort to find the next piece so that slowed things down somewhat too. If I thought the On Up was a climb, the On Down was a nightmare!! In many places there were no footholds or anything to hold on to coming down and it was STEEP! By this time the usual front runners had caught me up and we zig-zagged down the slope until we were out and I found it a great relief to be on level ground once more! The others return in due course all with the same tale to tell of Dieu Lah Sing who had filled his water bag with soapy water the week before and had then forgotten to empty it out and refill it with drinking water. Several people had to give him water on the run as he was suffering. When he returned he was knocked out and started downing 100+ like they were going out of fashion but he recovered well. With the food then served and subsidised beer drunk we started the circle.

At this point an irate and rude gate keeper's wife started shouting and screaming at us from her home. She soon shut up however when Inspector Gadget con-

# Hash House Harriets Penang

fronted her. She had apparently done this at a previous run of another Chapter and so this was the second time. Thanks to Alex we hope there will not be a third time!!

Many thanks to Mini Sausage for his usual challenging run, good food and for subsidising the beer! It was a good night and many of us sat and chatted until late.

*Next week we are at Charlie's Market  
for Viking's run  
Please come and support him*

## Announcements On Sec

1. During last week committee meeting it was decided that when a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. We decided to postpone the outstation run to Ipoh. It's not a good timing with the elections coming up.

## Circle

1. The first to be put on ice was the Hare, Mini Sausage. "Where was the Harriets' paper?" he was asked. "It was all from other Chapters". "Blame the GM" was his reply "she didn't give me any!" But then again he didn't ask for any either!!
2. Welcome to the guests of the evening Vendy, Andrew and Troy.

# Hash House Harriets Penang

3. The GM then put Jungle Jill and Vendy on ice for going nowhere and getting stuck on the first On Up and returning to the runsite.
4. A charge from the floor by Inspector Gadget saw Silent Man on ice. The charge was carrying stolen goods!!! Apparently Silent Man had picked up some wood and some Pitcher plants whilst on the run!!
5. The last icing of the evening was the group's thank you to the Hare of the Day Mini Sausage. As is his wont, it was a good challenging run, good food and he subsidised the beer too. Many thanks for the evening's hosting.
