Run: 2410

Date: 19 April 2018

Hare: Viking

Runsite: Charlie's Market

Viking wanted to set the run on Wednesday as he said he needed a full day to recover from runs nowadays!! So Fancy Pants, No Choice and I acted as his cheap 'foreign' labour to help out so that he would not tire so much!

We started at the metal staircase, up and towards the back near to the cemetery. The left over plastic remains of Ching Ming were seen strewn everywhere and it is surprising the local inhabitants didn't turn over in their graves or arise from them, in protest of the mess surrounding their last resting place.

We turned left, went up the usual path where Viking laid a check. The paper continued on the lower left bank and we went down and down before skirting the

Hash House Harriets Penang

Hong Seng Estate. This was an old trail not done in a long while and it was refreshing to have an alternative route.

Crossing boulders and rotting fallen branches we started climbing until we hit the paths at the top. It was now 'apple time' as No Choice offered red and green apples for us all to top up our vitamin C. We crunched on them happily and after a few minutes we moved on once more.

Viking wanted to do an extra loop for the later Hashers so down we went and luckily it was not wet and slippery but dry and slippery (don't know which is worse) and emerged back on the trail, down the Hash highway and back to the runsite.

In the evening Alvin and Bananaman were guests. Everyone parked on the new road except for Grandma who went to Bee Gallery! The weather looked ominous as the black clouds started to gather but it held until the pack had long since disappeared.

The early starters returned and by the hour the FRBs also started to get back. Suddenly the heavens opened up and all rushed for cover under the market roof. Some were not so lucky as Bai Pass, Beauty Queen, Silent Man and Sudakkar were still out and slowly made their wet way back. The food arrived and a while later the rain stopped.

Bibi Tulips, Mini Sausage, Money and Rupiah made an appearance in support of Viking as did Smiling Horse who must have smelled the subsidised beer which hashers so much enjoy!

The food enjoyed, beers drunk and with the rain stopped, we had the circle.

Many thanks to Viking for the evening's hosting and for the subsidised beer!

Announcements On Sec

1. During last week committee meeting it was decided that when a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. We decided to postpone the outstation run to Ipoh. It's not a good timing with the elections coming up.

Circle

1. The first icing was a charge by the GM on Black German. He had complained that the Club decision on beer at circle time was miserly and that we should do better. He was afforded a mouthful of beer only for his complaint.
2. Drippy Dick made a plea for ALL Chapters to use less paper on runs and for Hashers to pick up paper if ever they are out on walks and it is known old paper.

Hash House Harriets Penang

3. The GM then put W'Anchor on ice. According to the GM he has now and enviable body and complained that she cannot get such a one and it is unfair!!
4. A charge from the floor by Viking saw Skippy put on ice for not noticing that the logo paper had been clipped (by Viking no less) upside down.
5. The GM then asked Fancy pants to take to the ice and on behalf of us all wished him a Bon Voyage as he returns to Germany once again. We wish him a safe journey and hope to see him and Fancy Panties later in the year.
6. The Hare of the Day was next and Viking received our grateful thanks for a good run, excellent food and for subsidising the beer.
