*Run: 2411*

*Date: 26 April 2018*

*Hare: Dieu Lah Sing*

*Runsite: Bee Gallery*

Dieu Lah Sing always moans about runs and his own was no exception. We had barely climbed the first 'On Up' and already he was crying "Are we there yet"? At least this time he had proper drinking water in his water bag and not the soapy kind of a couple of weeks ago!

Mindful of his request for a short run Sai Seng chose the 'On Up' to No. 3 next to the toilets and said we should go down at this point to fulfil DLS' request. I protested saying "NO WAY" as it will be far too short going down here so we waited for DLS to catch up, as he was lagging behind at this point. Viking, Sai Seng and I decided to go up the stairs with a reminder that paper here would

be picked up as the hikers don't like hash paper (they must all be relatives of Drippy Dick). So up the stairs from No. 3 we went and then down a little with DLS recovered as he thought we were on the way out!!

We finally got on the path leading down to Youth Park meeting so many hikers who looked young just like us!! DLS was in high spirits now and as the exit neared he was busily clipping away with a smile on his face! Then we were out in just over an hour and a half. A short run indeed!

That evening (we set on Wednesday) and Thursday it poured. Viking volunteered to go back in to check on the paper which was a good job as he reported back that it had GONE but the mosquitoes had DOUBLED!! The rain had also made the route challenging with mud to be reckoned with. There were over 30 Hashers gathered for the off and most took an hour or so to complete the run with Silent Man and Suddakar being the last to return. I wonder how long it would have taken our thoroughbred Iceman to complete?? Speed Hound was still missing however but she had arrived late and had decided to go for a run in the Gardens instead but she too returned not long afterwards.

Spermwhale turned up with the food and fussed about setting it out as the hungry hashers waited to dive in when called but contented themselves in the meantime drinking the subsidised beer.

The floppy hotdog went down well with fried onions, tomatoes and potato salad. Hunger appeased; beer drunk, we had the circle.

*Next week we are at Lembah Permai  
Shoplots for Ronnie Tour's run  
Please come and support him*

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Announcements On Sec

1. When a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. The outstation run to Ipoh is postponed to a later date.

## Circle

1. The first icing was a charge by the GM on Black German. Apparently he is on the market again and looking for a fair complexioned maiden to share adventures with!!
2. Sai Seng was next to feel the cold as the GM put him on ice for being MIA since his promotion to GM of THK. However he still helps to set runs which is very much appreciated by all.

3. It was the last run of the month and hence time for the month's birthday celebrations. Unfortunately only Speed Hound and Money were in attendance. But we wish all April born members a very Happy Birthday.

4. The 25th April is ANZAC Day for our Commonwealth cousins from down under and as both Skippy and Woodpecker come from there who better to be their country's representatives, especially as they didn't run today and only came as dinner club members!!.

5. The Hare of the Day was last on ice and Dieu Lah Sing received our grateful thanks for a good run, good and different food and for subsidising the beer.
