GM Note's

Run: 2414

Date: 17 May 2018

Bunny: Auditor

Runsite: Island Glades, Chinese Temple

The runsite was a welcome sight at the end of the trail. It was almost 6.00pm and we had just got back from setting the evening's run. Hashers were gathered to start the run we had just finished and I wished them well. The last 'On Up' had sapped all my energy as I had finished all my water by then and hence I found it tough going up. With encouragement from Itchy Bai and Taliban I slowly made it to the top, felt good at having done so but then faced the long windy on down! But at least it was DOWN!! We had two guests for the evening; Our litterbug Wendy and a first time hasher Tom Doer from Oz.

Hash House Harriets Penang

Some of the early arrivals had already started to ensure they came out in the light, so, as with the week before there were fewer people to start at the official time. The first out was Speedhound in an hour, commenting it was an easy run! How does she do it?? The rest followed over the next half hour.

With made on site dosai, chicken curry and fried fish for dinner with starters of delicious samosa before hand the crowd sat and chatted before the circle.

*Next week we are at TAR College
for Rupiah's run
Please come and support her*

4. Two of our committee are disappearing for a few months with both the On Sex and the VGM heading to their respective origins. We wish them Bon Voyage and have a great time.

5. A charge by Skippy saw Viking on ice.

The charge was for Skippy being accused of always getting lost. He does sometimes but not now Botak Chin is back to hold his hand.

6. A charge by Miss Bollwood saw Botak Chin on ice next. Apparently they had a family dispute about where the runsite was and Botak Chin, who was driving, ended up at the wrong place by not following Miss Bollywood's advice!

7. Bunny on ice. Thank you to Auditor for hosting the evening and for organising a good run and great food.

Funnies

I was hiking once with my boyfriend. Suddenly a huge brown bear was charging at us, really mad. We must have come close to her cubs. Luckily I had my 9mm pistol with me. One shot to my boyfriend's kneecap was all it took. I could walk away at a comfortable pace.

A priest asks the convicted murderer at the electric chair, “Do you have any last requests?”

-

“Yes,” replies the murderer. “Can you please hold my hand?”
