Run: 2418

Date: 14 June 2018

Bunny: Tiny

Runsite: Lembah Permai, shoplots

As we arrived at the run site the natural topic of conversation was the sudden passing of our good friend Helmut. People wanted to know the ins and outs but as of yet there is no official news on the cause. Renata has gone to Europe and when we know more we will of course let you know!

As the hashers gathered it was good to see W'Anchor once again looking VERY trim and recovering well from his recent operation. Once he heard the run was quite easy he decided to go along.

Time was approaching 5.50pm when the Bunny and co-hare arrived fresh from laying the trail. All had questions about whether it was a road run or into the

Hash House Harriets Penang

the bush but no answers were given on that score!!

After a minute's silence in honour of Helmut (may he rest in peace) the Bunny pointed to the normal way in and off the pack went. We had an initial 5 guests for the evening, Jasmine, a first time runner, Alvin and Andy two regular guests plus Bananaman. Then Moira sauntered in making five at the start. Later in the evening Kellin arrived to make six guests.

An easy trail through the farmer's veg plot until the first check where we spotted paper clipped to the rambutan leaves. The trail went straight on at this point until we hit the back of "CEMENT MOUNTAIN" across the stream. The trail turned left and up at this point but calls of "On On. Come across the stream" were heard loudly by those already having broken the bar.

We picked our way across the stream and up the bank the other side to reach the base of Cement Mountain where the paper led us around it and exited to the road at the side of TAR College.

From here several people turned right and headed back to the runsite but the actual trail went left and passed the Chinese Temple and the tied up bulls. Ultimately the trail led up and into the bush a little and exited through the PBA and from there back by road to the runsite. In all Huge clocked around 6Km for the run with 4 checks too, so it wasn't short as most people expected. Kudos to the Bunny and co-hare for setting such a run in the hot afternoon sun!

All returned within the light except for Moira who loves to take her time and look at all the trees and vegetation as she makes her way around the trail. People were getting a little concerned though when it went dark and she still had not returned and was without a torch and water. However she finally returned around 8.20pm clutching some plants which he presented to Tiny.

Dinner was served and devoured. Subsidised beers drunk and we had the circle. Thank you to Tiny for setting a very good run, serving delicious food and for subsidising 5 crates of beer! It was a good night.

Circle

1. Welcome to all the guests. Bananaman, Jasmine (on ice), Andy, Alvin, Moira and Kellin.
2. A charge by GM saw Eddy Punk on ice. He went to the wrong run site and had to phone the GM for the correct one!!

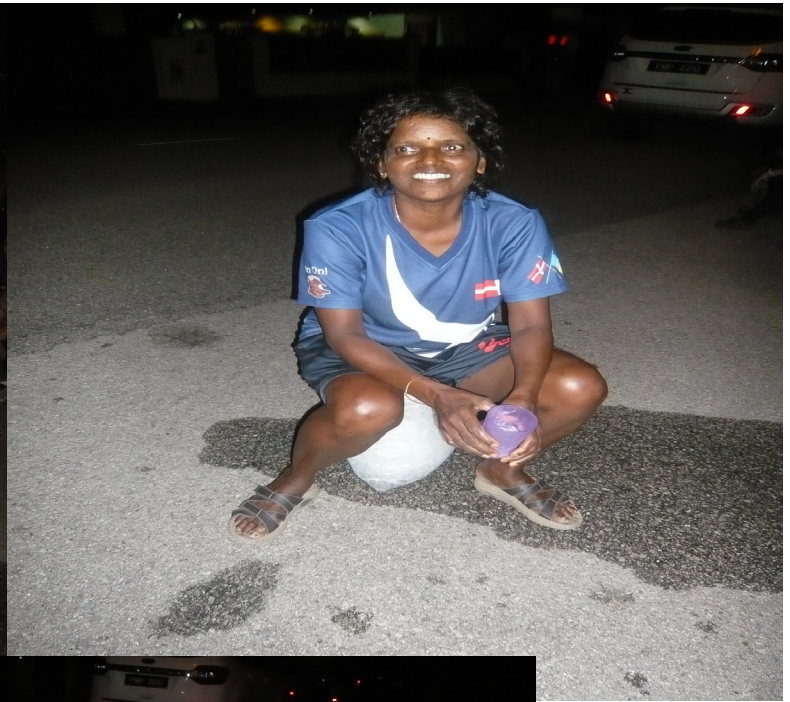

Hash House Harriets Penang

3. Next to be charged was Ronnie Tour. Apparently he ran from his house and came clutching some trail paper clipped on to leaves like some Olympic hero!!

4. The GM put Kellin next on the ice. This was to welcome her back as she has been missing for quite some time. Although not a member this year she has promised to become one again later in the year when things quieten down for her. The GM reminded all that she has yet to have a hash name and even though a guest this evening she was given the name Premature Ejaculation or PM for short by W'Anchor, who said she will now always come before him!!

Hash House Harriets Penang

5. Dieu Lah Sign was then iced. He too has been missing for a while and came back looking like Prince Harry with a beard and all. But as W'Anchor stated do the 'curtains match the carpet?' We didn't find out!!!

6. A charge from the floor saw Bananaman charge Speedhound with SCBing!! Now that's a first!! She says she didn't but he says she did.... I say who cares!! Enjoy the ice!

7. Bunny on ice. Thank you to Tiny for hosting of the evening and for organising a very good run, serving great food and for subsidising the beer.

What is green and sits crying in the corner?
The incredible Sulk.

Because they lack the thumbs to ring the bell.

What has four legs, one foot and one head?
A bed.

At work:
Excuse me, may I disturb you shortly?
Of course, what is it?
Nothing, I just wanted to disturb you.
