Run: 2419

Date: 21 June 2018

Hare: Snow White

Runsite: Youth Park, Sai Seng's corner

It had been a while since the Harriets had set a run going through the old stables, which were now gone and the buildings falling down. The overgrown bush didn't seem inviting and neither was climbing up the different rocks with nothing much to hold on to. Once past the initial difficulties we carried on laying paper until we hit another Chapter's paper going up and thought of doing the reverse of that run. Following it we came out at the Surau where we walked along the path until we saw an opening into the bush and went in. There once again we followed the laid paper going up, down and skirting. The trail took us past old overgrown trails and many uprooted trees and bushes that had come down in the

the many storms and high winds.

We were heading towards the trail connecting the Lemongrass path with 45, and Sai Seng decided to lay paper through the hole in the rock just for fun, knowing a few would struggle because of its size. I decided it wasn't for me and took an alternative route around to the right and caught up with him the other side.

Up we went coming across more rotting trunks which we manoeuvred around and I hoped there would be no rain on the Thursday evening to complicate the run. After a long climb we reached the path, turned right and exited down the lemongrass route.

On the Thursday evening the faithful gathered and as we drove in we saw Grandma waiting at the old run site but she quickly followed us up around the bend to Sai Seng Corner. We found that many hashers had already gone in early but there was still a number who were flagged off after receiving instruction from the Co-Hare.

By 6.30pm some of the early starters returned but it was just after the hour when Imposter came back first from the group at the official off. After that more trickled in and by 7.30pm most were back except for Posh, Rupiah and Pimp. The two ladies then appeared from the gloom having walked back by road from Jes-selton but Pimp was not with them nor had they seen him.

At 8.30 we decided to have the circle and it wasn't until 9.15pm that Pimp arrived back at the run site having completed the run without torch or phone, which he had left in his bike!!

Unfortunately Snow White was not up to attending the run but Grandma was the star of the evening as it was her birthday the next day and some of her family had travelled to celebrate it with her.

We all hope you had a great day.

Many thanks for the great home cooked food, subsidised beer and for a lovely evening!

Circle

1. The GM first put Melanie and Andy on ice. They are Grandma's daughter and son-in-law. It turns out during the course of the evening's chatting that they were born on the same day (1st Oct), the same year and around the same time but in different parts of the World. Definitely fated to meet for sure!!
2. As it was Grandma's birthday the next day we decided to have the June birthday celebration a week early. Unfortunately only Imposter and Counterfeit could join her in celebration as the other's had either gone or didn't make the evening especially Black German whose shares the same birth date as Grandma.

3. Beauty queen and Oyster Licker were next as they kept moving away from the circle before it was finished. When asked why they stated, tongue in cheek, they wanted to make love in private and could only do so if the circle was still going on!!

4. "Hole? What hole?" Botak Chin had been heard complaining that he didn't go through the hole and that Money, who he was running with, had gone to the alleged hole and said there was not a way through. Not having checked it himself Botak Chin took him at his word and they found an alternative route around the rock. Botak Chin was therefore a bit put out when he heard that there was a passage through the hole and would have put Money on ice but he had already left early.

5. As Snow White couldn't make the evening it was only fitting that a family member take his place and being that Andy was the only male member of the family in attendance, he was chosen to receive our thanks for the evening's hosting. Thank you. It was a lovely evening, great home cooked food, subsidised beer and a challenging run.

Funnies

Girl: So, how many times a day do you shave?

Man: Well, about 15-20 times every day.

Girl: My god, are you some kind of crazy?

Man: No, I'm a barber.

What's black, red, black, red, black, red?

A zebra with a sun burn.

"I am a master of fast calculations."

"OK, what is 758 time 642 divided by 5?"

"22!"

"Ha ha, that's wrong!"

"Might be, but it was fast!"

An **Old man** had **8 hair** on his head.

He went to a Barber shop.

Barber in anger asked:

shall I cut or count ?

Old man smiled and said:

"Colour it!"

LIFE is to enjoy with whatever
you have with you,
