## GM Note's

*Run: 2421*

*Date: 5 July 2018*

*Hare: Botak Chin*

*Runsite: Lembah Permai shoplots*

We had a smaller crowd than normal due to hashers being away for various reasons. Regular guests Moira and Alvin came once again to support the hare of the day, Botak Chin.

We had set the run earlier in the day and essentially followed the run he had set on the previous Saturday for Miss Bollwood's run with another Chapter. The difference was the entrance and exit were in different places. However this didn't stop some hashers from following the wrong paper and doing an extremely short run!!!! The paper unfortunately was too near the entrance and exit and hence people saw paper and followed it. The actual entrance was along a bit further and

for those that found it and climbed to the top they were rewarded with MUCH more exercise than the SCB's. At least both groups did something and came back almost together. Jackpot had the longest run as he missed the turn on the hash highway and ended up at Charlie Market. He ran by road back to the runsite!! Cheng had brought freshly harvested fruits from the orchard and shared these around, thank you Cheng and Frank, whilst those who had a coupon from the hare went and got their Kway Teow from the harker stand and tucked in merrily. It wasn't long after that we had the circle as people were beginning to drift away. Thank you to Botak Chin for the hosting, run and food and for the down down beer.

*Next week we are at Kek Lok Si, lower carpark,  
for Pimp's run*

*Please come and support him*

## Announcements On Sec

1. When a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. The outstation run to Ipoh is postponed to a later date.

## Circle

1. Welcome once again to guest Moira (Alvin had left at this point). You are always welcome and she got T-shirt the GM promised her last week. BUT will she wear it??
2. The GM then introduced GrayHam and Terry who were guests of the Hare.

3. A charge by Akz Hole saw Mem Sahib and No Choice sharing the ice. The crime was for continuing to 'do fruit business' during circle time and continuing to eat the fruit whilst everyone else gather around and walking nonchalantly through the circle as the GM was speaking!!!

# Hash House Harriets Penang

4. The GM then called Dieu Lah Sing to the ice. His crime was not to tell the GM that he was starting the run early and walked straight passed her as he made his way to the On In.

5. Jackpot was next to have a cold bum as the GM put him on ice for doing the longest run. He missed the turn on the Hash Highway and ended up at Charlie Market and ran back to the runsite by the road.

6. Hare on ice!! Thank you to Botak Chin for hosting the evening and setting his own run and for the food and beers for the down down.

## Funnies

Do you know what makes me smile?  
My facial muscles.

Today I brought a pizza with me on the bus.  
The driver said: "Hey that is not a restaurant here."  
I said: "I know, that's why I brought my own food."

Being a 24-year-old virgin sucked, I'm glad nobody can say that about me any-  
more.  
I'm 25 now.

A dung beetle goes into a bar and asks, "Yo, is this stool taken?"

My mom loves gardening.  
She was so excited that spring finally arrived, she wet her plants.

What wouldn't you find in a haunted house?  
A living room.

**Welcome to the Hash House Harriers 1938 - Mother Hash**

**80th Anniversary Celebrations, 14th - 16th September 2018**

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee

**Where will the 80th anniversary be held?**

At the **The Merdeka Stadium (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km<sup>2</sup> (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
