Run: 2423

Date: 19 July 2018

Hare: Skippy

Runsite: Entrance Chin's Farm

A smallish crowd had gathered awaiting the off, whilst 3 had gone in earlier. Guests for the evening were Peter from THK, Jenny, Alvin, Brian and Moira. The trail had been set on Wednesday afternoon with co-hares; General, Good-year, Oyster Licker, Skippy (hare) and myself. It went to the left hand side of the road where we climbed up and down dried prickly ferns, overgrown paths, not to mention fallen tree trunks along the way. It was a trail that had been done in the past but the most knowledgeable was the General who often hikes in the area as well as set his own runs there! He effortlessly set the pace and direction whilst Skippy and I tried to catch up as fast as possible without falling or getting

hindered by the fallen trees.

At one point we crossed some rocks which had gaps between them and climbed on to an embankment. This marked the end of the jungle as we stumbled on to the tar road with the long walk back to the runsite, where we found freshly dumped cement now blocking the path!!!

Iceman came running back in less than an hour followed by Peter about 5 minutes later. The slower ones followed including the ones who had gone in early. The last out were Beauty Queen and Silent Man, which is usual!!

People were feasting themselves on the delicious food and drinking the subsidised beer. The lovely evening weather being conducive to just such an activity of sitting, chatting and drinking long into the night!

Many thanks go to Skippy for his hosting of the evening. The great run, delicious food and for subsidising the beers!

4. A charge from the floor by Speedhound saw Miss Bollywood, Biking Sheila and Mem Sahib on ice. The charge was for shortcutting (What!! They don't even do the run!!! Ed.) and for going shopping (More like it!!)
5. Biking Sheila was welcomed back and Bommy joined her as 'her husband' in the hash. (It's a long story!)
6. The last icing was reserved for the hare, Skippy. Many thanks for the hosting and the subsidised beers.

Funnies

A prisoner is finally released, after many years in jail. He stands at the pavement, yelling, "I'm free! I'm free!"

A little kid walks up to him happily and joins, "I'm four! I'm four!"

Mother is waking her son: "Paulie, come, wake up, you have to go to school."

"Aw mom, just a bit more sleep, please."

"No, it's really high time, now get up."

"But I don't want to. The children annoy me and the teachers are a complete pain!"

"Stop it, now. Get up and off to school with you!"

"Mom, give me two good reasons why I should go to the stupid school."

"Paulie, first of all, you're 45, and second, you're the headmaster."

Dad on the last day of school: So, where's your school report, my boy?

Tom: Sorry, I'll bring it a day later.

Dad: Why?

Tom: I borrowed it to Kevin because he wanted to scare his parents.

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee

Where will the 80th anniversary be held?

At the **The Merdeka Stadium (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
