### GM Note's

*Run: 2424*

*Date: 26 July 2018*

*Bunny: Frozen Pussy*

*Runsite: Shamrock Beach, watertank*

We had 7 guests for Frozen Pussy's run not including Becky her daughter. Guest Jennifer brought along Mei Ling and regulars were Moira, Alvin and Banana-man. Take Care our veteran member turned up for a bit of exercise and newcomer Caroline came along to support her friend Anna.

Sai Seng and I had set the run earlier in the day but it was shortened as Sai Seng got himself hit on the head by a rock. Thank goodness there was no serious injury! The run skirted the hills and in many places we came across rotted tree trunks but surprisingly the outer bark was still intact whilst the inside was completely gone. This made it appear solid, until you put your foot on it!

# Hash House Harriets Penang

There were also many places with loose rocks which made climbing difficult. It was in one such place when Sai Seng got stuck on a vine, pulled on a root to extricate himself when a large rock tumbled down and grazed the side of his head removing his head scarf before rolling onwards merrily down the hillside with his stapler and cutters!

After crisscrossing the hill we turned upward, climbed to meet up with the homeward track from where it was all down hill and back to the runsite.

This was Frozen Pussy's farewell run as she was leaving Penang to return to Australia the next day. It was good to see the number of members come and support her despite quite a number being out of the country. She joined us 2 years ago and enjoyed it from day one, come rain or shine and she loved the hills, as do we all.

The first out was Iceman in 55 minutes and the others trickled in after that. The last out being Beauty Queen, Silentman and Sudakar about 8.15pm.

The bunny had catered plenty of delicious Indian food (chicken, prawn and vegetable curries with raita, nan bread and rice). It was a feast! Hashers busily tucked in and came for second and thirds and still there was plenty left.

When all had sated themselves, we had our usual circle.

Many thanks to Frozen Pussy for the evening's hosting and for wanting to do so even though it was not her turn! We wish you a great future back home in Australia and we hope to see you again soon when you pay us many visits. We'll miss you Anna. Bon Voyage!

*Next week we are at Charlie's Market,  
for Hot Lips' run  
Please come and support her*

## Circle

1. Welcome the guests, Jennifer, Mei Ling and Caroline.
2. The GM then called out Becky, Frozen Pussy's daughter, to the ice. Having been to a couple of runs but not actually done any the GM thought it was a good idea to give her a hash name to remember us by and for the future, should she go hashing. Having a mum called Frozen Pussy made most of the male contingent think of another part of a woman's anatomy and so she was baptised into the hash as Frozen Tits. She seemed ok with this as well!

# Hash House Harriets Penang

3. The GM then put guest Caroline back on the ice and asked her what she was doing here and why she had not come to hash before. Caroline stated that she had seen battle scars on other hash persons and decided it was perhaps too dangerous for her. However, she really enjoyed the run and the challenge and we hope she will come back again to join us.

4. A charge from the floor by W'Anchor saw Sai Seng on ice. The charge was for breaking rocks with his head and not feeling any compassion for the poor rock!

5. A second charge saw the GM cool her backside. W'Anchor charged her with

# Hash House Harriets Penang

being an inspirational leader who goes out and sets runs, then comes back in the evening to meet and greet everyone, as well as conducting the circle and leading the Club. We all agree!!

6. A final charge from W'Anchor saw Bommy join the GM on ice. Earlier W'Anchor had spotted Bommy sitting on his chair whilst the GM plonked herself on his lap AND THE CHAIR SURVIVED!!!! Must be a strong chair!!

7. Bunny on ice. Thank you to Frozen Pussy for the evening's hosting and for her membership of the Club. We wish her well for the future and look forward to her running with us again one day (hopefully soon!)

8. The final (almost forgotten) icing was for the birthday babies for July. Only Mem Sahib was present however but no less of an occasion. Happy Birthday to all our July babies.

## Funnies

A mom shark is teaching her son how to hunt swimmers properly.

“So, first you go and circle them making sure your fin is showing. And then you go at them full blast and eat them.”

“OK, but why don’t I just go at them full blast and eat them right away?”

“I guess you could, son, but would you really want to eat them with all that shit in their intestines?”

A stutterer walks in to a doctor’s office and says, “Doc-c-c-tor, my s-s-s-stuttering is a real p-p-pain in the n-n-neck, please help.”

The doctor examines him and finally finds the root of the problem: “Well, Mr Denby, the thing is, your pecker is too big and takes up too much blood that would normally go in the brain. We have to operate and take at least a half of it off.”

A month after the operation the stutterer comes back for a check-up and sighs, “Doctor, it really helped my stuttering and that is a relief. But my wife is very unhappy with the situation. Could the amputated bit be sewn back on, please?”

Doctor: “Sorry, but n-n-n-n-no.

**Welcome to the Hash House Harriers 1938 - Mother Hash**

**80th Anniversary Celebrations, 14th - 16th September 2018**

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee
