Run: 2425

Date: 2 August 2018

Bunny: Hot Lips

Runsite: Charlie's Market

Burst Aug 2nd 2018 Charlie Stinky Market Bunny: Hot Lips Co Bunny: Hot Pussy? (Hot Lips Daughter).

Small crowd was gathered at the site, lots of people away on their summer breaks.

I was asked to write the burst after I had returned from the run, so, aching for a beer, what could I say!

Unfortunately, I did the run in brain dead mode (some would say that's how I do most things).

It was a short run, (2.4km) but none the less quite tough due to the skirting up

Hash House Harriets Penang

and down, bashing through the undergrowth, and the recent rain having made some areas slippery.

We left the market and up Pesiaran Halia to the crash barrier at the top, then off to the right to join up with the regular trail we take when we go through the cemetery. After 300m or so on the trail, Instead of carrying on up to Bukit Olivia we ducked right, skirting initially then down, and up, through what was for me a new trail. There were 2 distinct on ups to a max of 196m.

After that we turned right and eventually hooked up with the Erskine Trail and back to the same entry point.

We had some interlopers using our paper, but not joining with the hash. Not to gloat, but one of them did have an episode with some thorns.

First runner out was Iceman, in approx. 45mins followed by me, then Lorenza, next I think Speedhound, and the rest a blur as the beer had started.

Our overseas guests Caroline and Natalie made it out unscathed, albeit with Natalie taking one step back for every 2 forward due to bald running shoes

An enjoyable run, and some new trails used.

Hot Lips prepared the food herself, Rice, Veggies, Pork and a pretty hot Anchovy dish, which many people snuck in for seconds, (myself included).

The circle first called the guests, Caroline, Natalie, Graham, Bommies guest, and Bananaman (forgot one I think).

We are evidently attracting a different class of hashers these days with guests showing up in a Porsche Cayanne.

Next was Ros and I on the Ice for having been MIA for a while in the US.

Silent man was Iced for being Last in, Last out, and pulling out vegetation in the process.

Bommies guest willingly took a shoey on the ice for knowingly showing up with new shoes.

Natalie was then charged for her pole dancing antics while negotiating the down slopes with bald running shoes.

Finally the Bunny was iced for setting a great run and proving excellent food.

Circle

1. Welcome to the guests GreyHam, Leigh, Banana Man, Caroline, Natalie, Jennifer and the Bunny's daughter Pussy Lips (not pictured).
2. Counterfeit and Imposter were welcomed back to Penang and congratulated for selling their house while they were away. The news excited everyone at the

Hash House Harriets Penang

circle with calls for the next round of beers to be on them.

3. Silent Man was next on ice for being the last to arrive and last back from the run. Silent Man was encouraged to say a few words about the run..... he managed "Good Run". Well done Silent Man for not wasting our time.

4. A charge from Bommy saw Leigh on ice for the cardinal sin of wearing new shoes. Bommy said that he warned Leigh (half way through the run) not to wear new shoes if he wanted to avoid the ice. So Leigh's joggers were christened with beer donations from several hashers till his shoe was near overflow!

Hash House Harriets Penang

5. Another charge by Bommy had Natalie on ice for coming to the run wearing shoes with no tread. Natalie's flat soled shoes had her "Spinning around the trees like a pole dancer in Phuket who didn't get tipped". Bommy advised her to wear more appropriate shoes next time she takes on Penang's jungles.
6. Bunny on ice. Many thanks to Hot Lips for hosting the evening with delicious home cooked food and a medium run enjoyed by all.

Funnies

„And, Johnny? How did your school report turn out?“ asks mother. „Come on mom, the most important thing is that I’m healthy!“

Little Johnny walks a cow through the village square.

The mayor sees him and asks, “Hey Johnny, where are you going with the cow?”

“I’m taking her to the bulls so she would get pregnant,” answers Johnny.

The mayor is shocked, “Surely your father had better be doing that?”

Little Johnny thinks about it for a bit and shakes his head, “Nah, I think it’s really best left with the bulls.”

Teacher: “Why are you praying in class little Johnny?”

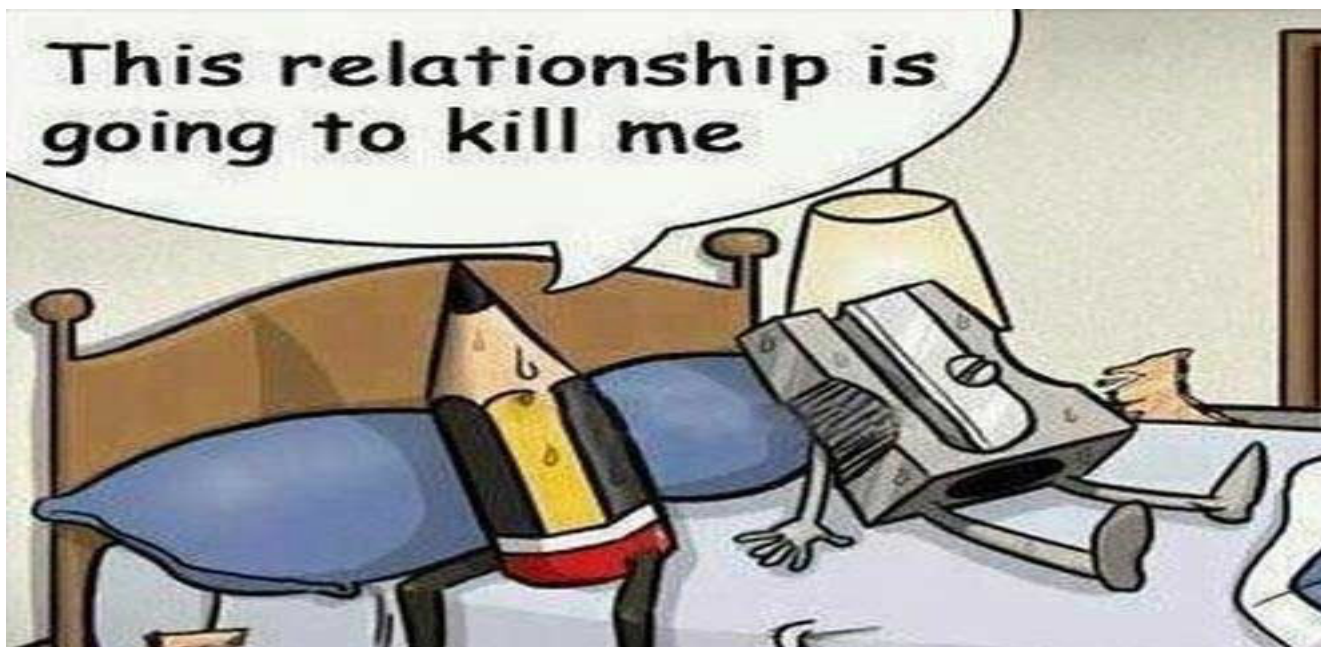

Little Johnny: “My mom taught me to always pray before going to sleep.”

Little Johnny, why does your little sister cry?

Because I helped her.

But that is a good thing! What did you help her with?

I helped her eat her gummy bears.

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee

Where will the 80th anniversary be held?

At the **The Merdeka Stadium (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010.
