Run: 2427

Date: 16 August 2018

Hare: Marks & Spencer

Runsite: Air Itam, new road

As the GM and VGM were unable to make it for the run today I needed to leave the house early to reach the run site. We managed to reach there by 5.45 and surprised to see the hare and the co hare only. Oh dear what happened to our members???? Slowly we had 16 runners turning up and our hare Mark Chong was worried that he ordered too much food.

We had 2 guests (Moirra and Jennifer) for the day but later Jennifer decided to join us as a member. Welcome to our club Jennifer.

As we returned from the run it was good to see 5 more dinner club members joining us. Mark was relieved that his porridge all was gone.

Graham & I arrived at the run site which could be described as the dead centre of Penang with the intention of going in early & after a quick search we could not find any paper so who to phone, yes, Just Beer our great GM, now no one told me that she was again off on holidays, her answer was ring the hare & this is just what we did, Mark answered “ I will be there in a couple of minutes & sure enough he turn up to explain that he had not marked the entry to the run so to not upset the local residents. By this time Phillip & Woodpecker had also arrived so the 4 senior hash's set off up the very steep tarsealed road as we came to the top the run turned left towards the iron pipe, however the paper suddenly went off to the right, this were the bush bashing started & continued in a loop to bring us back to the iron pipe crossing & then on up the hill towards the PBA house who have made a huge rubbish dump in the surrounding hill, we dropped down again to cross the rocks which brought back memories for Graham of his fall last year. We climbed the last on up that finished when we met the road, an easy walk down had us back at the start site, Phillip & Woodpecker dropped back on the last on up but made it home in good time for the food & beer.

Now this hash worked out very well for the various hash's as those who liked a longer run simply turned up hill when they reached the road, this extended the run by a couple of Kms. thus, keeping everyone happy & talking about happy who wouldn't be after the great food provided by the hare & contracted to Uncle Bee, Speed hound was the acting GM & circle master & introduced the guests then carried out the usual icings while the hashers enjoyed a few beers, Thanks Mark.

Circle

1. Welcome the guests, Jennifer, Moira had already left.
2. Toddy Tan on ice for missing in action for awhile. When asked Why? -- Don't want to eat at hash so that he can keep slim.

Funnies

An elderly man was on the operating table awaiting surgery to be performed by his son, a renowned surgeon. Just before they would put him under, he asked to speak to his son: “Don’t be nervous, son, do your best and just remember, if it doesn’t go well, if something happens to me... your mother is going to come and live with you and your wife.”

I can’t believe I forgot to go to the gym today.
That’s 7 years in a row now.

At a job interview:

“Mrs Lober, what do you consider your greatest weakness?”

“Honesty.”

“Really? I don’t believe that is a weakness at all.”

“And I don’t give a rat’s fart about your stupid opinion!”

proof that God
loves us and loves
to see us happy.”**

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gisbert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee

Where will the 80th anniversary be held?

At the **[The Merdeka Stadium](#) (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
