Run: 2429

Date: 30 August 2018

Bunny: Committe Run

Runsite: Charlie's Market

On Wednesday I had two new 'committee' members who volunteered their services to help set the run as none of the elected committee were available. My fellow runsetters were Botak Chin and Pimp, who followed behind, clipping paper, as I lead. We went in through 'millionaire' row where rich Chinese "towkays" slept but isn't this the Ghost month??

Going up a slight incline we were on the normal path going up the hill when we decided to turn left and go all the way down. The path led towards the rocks and it was dry enough to weave through a gap and climb up. There was paper from another Chapter clipped every two steps (they must fear getting lost!) which we

followed, exiting onto the path leading from Bee Gallery. After that it was an easy climb to the top and then down the path back to the runsite.

On Thursday the faithful gathered awaiting the off while some of the slower ones had had a head start by going in earlier, as is the case these days. Money had pre-warned me that there were 4 guests from PH3 who wanted to try Harriet's hospitality. 50 mins Iceman returned with the other FRBs returning in quick succession. There was then somewhat of a gap before the slower ones started to return. I asked about one of the guests, Puki Merah, but to my horror no-one had seen him!!! It was getting late and dark by now and the restaurant had been booked for 8.00pm. With the last of the usual runners back we decided to have the circle whilst still awaiting Puki Merah's return. After the circle people headed to the restaurant and I was just about to tell Samy to head there too when Puki Merah walked up from the road, much to my relief! It turns out he had followed wrong paper and ended up in the Hong Seng estate but couldn't find his way out until he knocked on someone's door to ask directions. Being the Ghost month he was lucky to have someone answer his knock!!

All now back safely we headed to the restaurant and had a fantastic Thai dinner and only went home when the beer ran out towards midnight.

Thank you to all for turning up and making it a superb evening!

1. Welcome the guests, PH3 members, Mai Ling, Grayham, and two of No Choice's nieces.

Hash House Harriets Penang

3. A charge from the floor by Money saw Botak Chin on ice. The charge was for not clipping the hash paper correctly. Apparently it was clipped sideways, upside down, angled, not straight up as it should be. It was suggested that he needed to go on a clipping course!!

4. It was the end of the month and so celebration time for the month's August born members. Initially No Choice was missing but then turned up causing more photos to be taken. Happy birthday to you all.

5. The one icing that was missed was to the Committee as perhaps the GM didn't want to get her bum wet. However the Committee do a great job and we thank them all especially the GM for looking after us so well. (Ed.)

Funnies

I asked my daughter if she'd seen my newspaper. She told me that newspapers are old school. She said that people use tablets nowadays and handed me her iPad. The fly didn't stand a chance.

I've been really depressed lately. A friend told me I should go to the petting zoo perhaps, to cheer up.

I went today, but not one person would stroke me.

I forgot my cell phone when I went to the toilet yesterday. We have 245 tiles.

How many gorillas can fit into a car?

Eight.

How many chickens can fit into the car?

None, the car is already full of gorillas.

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

**LOOKING FORWARD TO MEETING YOU ALL!!
- 80th Anniversary Committee**

Where will the 80th anniversary be held?

At the **The Merdeka Stadium (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
