GM Note's

Run: 2430

Date: 6 September 2018

Bunny: Counterfeit

Runsite: Mount Pleasure

Due to some misunderstanding there are no GM Note's. GM is having a great time in Australia. VGM and Hash Cash are doing their utmost to keep the club running. On Sec still in Holland so not easy for them. A good turn up for Counterfeit's run. We had an unexpected visitor, but she/he slithered away. Good to see regulars back after their Balik Kampung. Don't forget Black German's run on Monday, it looks like a lot of fun. And otherwise Thursday night is also a lot of fun!

Time: 5.00pm, Long Run & Short Run.

Good food, Souvenir shirt, Subsidized Anchor bottle beer sold at \$5.00 to avoid waste n abuse
Fee to confirm participation RM25/head, restricted to the first 150 participants.

Name of the Chapter: **PG HARRIETS**

Circle

1. Welcome to the guests: Alvin, Andy, Moira (had left) and Puki Merah.
2. Puki Merah was on ice to find out how he got his name. He said he didn't know what "Puki Merah" meant, but the local Hashers thought it was funny when he was named on his 10th run in Indonesia. GM reminded PM that he caused a lot of worry at the committee run last week when he was alone and lost on his virgin Harriets run. The Hash choir sung him the Foreskin Song.

3. Speed Hound charged Toddy Tan for claiming there was no paper. Toddy was reminded if he insists on Hashing without his glasses he will never see the paper or anything else! TT said he usually sees ghosts and as it was Hungry Ghost season he won't wear his glasses to avoid seeing them during the run.

4. Bunny on ice. Many thanks to Counterfeit for a medium run and delicious food including home cooked curry, loh bak and curry puffs.

Tiny, Huge, Kiss Me & Kissing Her were each welcomed back after a spell in their respective countries.

When I greeted my boss in the morning, he told me to have a good day.

Who am I to argue? So I thanked him and went back home.

I'm already doing 60 in a 30 mph zone and still that guy is sticking to me. And now he's blinding me with these fancy blinking blue lights.

The world is full of psychos!

Wow you look great! Did you lose weight?"

"Hey – did you just call me ugly and fat in retrospect?!"

A German, an American and a Russian walk into a bar.

The bartender looks at them suspiciously and says, "Is this some kind of a joke?"

"The most important thing is to enjoy your life – to be happy. It's all that matters."

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!
- 80th Anniversary Committee

Where will the 80th anniversary be held?

At the **The Merdeka Stadium (Independence Stadium)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
