GM Note's

Run: 2434

Date: 4 October 2018

Hare: Handyman

Runsite: Lembah Permai, shoplots

I was once again reminded of the ugly side of Hash and Hashers on Thursday. What I perceive as goodwill and friendship turned into a shouting match. The backstabbing materialised in who said what about whom and where. As for myself, I am not interested anymore with threats about people leaving the Club if their "favourite" person is there. We should not be having this sort of behaviour in Hash. It is meant to be a sociable gathering of like minded people to have some exercise together and some good fun after wards. If you have issues please don't bring them to Hash!

The rain had been pouring all the previous night and continued for most of the following day but thankfully it cleared up towards evening and run time. I wasn't there at the start but I am told the Hashers went in around 6pm as normal and I heard the trail was shortish but challenging.

Regular guests Period and Alvin were there as was Wu Kong to support the hare, Handyman. He also had a few invitees who came drank and left. Toddy and Botak Chin had gone in earlier than most and came out in the light for a change. Iceman came thundering in at 50 minutes along with a few who turned back because of the wet terrain. Most were back before dark except for Period who takes her own sweet time.

The evening was still young but the threat of rain was heavy in the air and it is that time of year when it gets dark early too.

We had an early circle before we wrapped up for the evening and I had to leave early to get back to my new Grandson! A big thank you to Handyman for the good run and food!

*Next week we are at Youth Park,
Sai Seng's corner for Drippy Dick's Run
Please come and support*

Announcements from the On Sec Circle

1. Welcome to our evening's guests, Alvin, Period and Wu Kong.
2. A welcome back cooling of bums was next for Bibi Tulips and Mini Sausage after their LONGGGG vacation in Holland and other places.
3. The next to hit the ice was Mem Sahib. The GM explained that she was always a good sport and often went around during the food, collecting the waste to take back for her dogs but was always willing to give fruits in return.

4. Toddy was next on the ice as he was confusing people by going around saying "Please come to my birthday run on the 18th October." He has already had his run and it is actually Akz Hole's run on that day.

5. A charge from the floor by Wu Kong saw the GM on ice. It was not hash related but who cares! At a party the previous Sunday there was some drama as the GM's daughter was travelling from KL when she went into labour and was supposedly heading to the nearest hospital, which at that time was Ipoh. The GM and Akz Hole left to travel to Ipoh only to be told later that she had reached Penang and was in the GH. Thank goodness all was well and she delivered a lovely boy. Many congratulations GM and Akz Hole on becoming grandparents for the seventh time!!

6. We didn't do the September babies at the last run so it was time to catch up here. Only Toddy and Skippy were present however but HB to ALL our September born members.

7. Hare on Ice. Many thanks to Handyman for a short but challenging run and good food.

8. A last icing was a surprise for the GM. It was her birthday that day and so the members got a cake for her and sang her a birthday song too. Happy Birthday GM.

Funnies

It is evening. Little Johnny and his friend are sitting by a camp fire. They've been plagued by swarms of mosquitoes already for an hour and the assault only worsens when the darkness sets in.

Suddenly, fireflies appear. Little Johnny swears: "These darn mosquitoes! Now they've even brought lanterns with them to find us!"

What is black – white – black – white – black – white?
A penguin rolling down a mountain!

What would you get if you crossed a vampire with a dwarf?
A creature that sucks blood from your knees.

"Sir, you cannot fish here!"
"Don't worry, I'm not fishing, I'm just teaching my worm to swim."

Why do dolphins swim in salt water?
Because pepper water would make them sneeze.

count. It's the life in your years."
