Run: 2436

Date: 18 October 2018

Hare: Akz Hole

Runsite: Lembah Permai, Shoplots

Sai Seng, Bullshitter, No Choice, Beauty Queen and myself set out to lay the trail for Akz Hole's Birthday Run and it started raining just as a decision was made about the 'On-In' and stayed on and off during the run set. It made going up the muddy slope a challenge and some of us landed on our bums more than once in the process! The trail took us to the Hash Highway, along the highway and on up to Mt Olivia and then across the ridge and eventually back down to the runsite once again. It was a shortish run (about 3.4Km) but just enough for the bad weather that day and the festivities to come afterwards.

Arriving at the runsite in the evening we spotted early starters heading off

Hash House Harriets Penang

but there were some members, invitees and guests mingling around as the rain threatened to pour down. On the dot of 6.00pm the heavens opened and the wind blew just as they set off. This sent the normal walkers scrambling for shelter and a chat instead of their normal walk around neighbourhood.

The wind was blowing from the playground, driving the rain into the normal safe shelter on that side so it was decided to de-camp and re-camp on the other, car park side, of the shoplots.

Viking, Botak Chin and Woodpecker had started early and the first two came back just after the start. It was another 10 mins or so before Woodpecker appeared fully drenched. The rain was pouring down and unrelenting as Akz Hole went, off soaking wet, to get the food. Others that had gone in early started to return saying how slippery it was and 'dark' even at that time. As the food arrived the rest of the hashers started to return and all were back by 7.30pm.

The delicious Cambodian pork rib curry, Vegetarian Curry and spring rolls and condiments and dips plus two cakes courtesy of Kissing(h)er and Kiss Me (who unfortunately was not well on the day...get well soon) and No Choice had the hungry hashers going back and forth to the dinner table for more.

Finally the rain eased off and then stopped altogether whilst we had the circle after which the socializing continued well into the night and it was still going strong when Akz Hole and I left after 11.00pm.

Many thanks to Akz Hole for the run, the superb food, T-Shirt and the subsidised beer and whiskey! We hoped you had a Happy Birthday!

Many thanks to one and all in coming out in such rotten weather and doing the run and supporting Akz Hole on his special day! You all helped to make it a memorable one.

*Next week we are at Leader Garden,

Please come and support*

Announcements from the On Sec Circle

1. Welcome to our evening's invitees Bananaman, Wu Kong, Landslide, Black-hair, Bullshitter, and Texas Tits. Thank you for coming.
2. Welcome to our evening's guests, Jameshed, Yushi, Ai Dai and Wendy. Well done to Ai Dai and Yushi in completing the run too.
3. The GM then put Imposter on ice for continually talking and making noise whilst the circle was on.
4. The next on Ice was Akz Hole. It was his 65th Birthday on the day and a birthday cake and song were duly presented whilst he cooled his bum. Happy Birthday!
5. A charge from the floor by Imposter saw Botak Chin on ice. His crime was for going in too early to start the run when it was relatively short and he returned just as the normal starters were going off.

6. The next on ice was Call Girl. The GM thanked her for putting her heart and soul into the food and it was agreed by all that it was delicious.

7. Hare on ice. Many thanks to Akz Hole for the run, the fantastic food, the T-shirt, for subsidising the beer all evening and for the whiskey too. Thanks also for the history lesson on the design of the T-shirt and the significance of each part. It was a truly memorable night

Funnies

A police officer stops a minivan full of elderly ladies being driven by an old gentleman because they're only going 25 mph, stopping the mid-day traffic.

The policeman asks the driver why is he going so slow.

"Well that's the speed limit, isn't it! There was a sign saying 25 and everything!" the driver defends himself.

The policeman sighs, "No, sir, that's the number of the highway you're on. It has nothing to do with the speed limit."

"Oh, so that's what it means..." says the driver, looking shocked.

The officer looks at the rest of the van and notices the grannies are looking somewhat frozen and stiff.

"What's up with the ladies?" he asks the driver.

"Um..." the driver scratches his head, "you see, we just got off highway 150..."
