Bunny: Bibi Tulips

Runsite: Leader Garden

It was a beautiful day and stayed dry all evening. Apart from the Bunny, Bibi Tulips, Co-Hare Mini Sausage and Money there was no-one at the run site when I arrived. Posh strolled in with guest Lai from KL who wanted to do the run before returning. On asking where were all the hashers the reply was that they had all gone in early!! However Pussycat, Rupiah and Speedhound showed up and wanted to do the run so Bommy offered to 'escort' them into the jungle so off they went with the guest in tow. Even invitee Shark had started at 5.00pm to do the previous Saturday's run also hosted by Bibi. So there were no hashers left to have the pre-run circle.

Mini described to me that the run was short but challenging. He stated much of it was skirting in virgin territory hampered by how overgrown many parts of the trail was especially the path to the PBA!

Botak Chin, who had started with Viking and Woodpecker at 4.30pm, came back round 6.30pm but said he would have been quicker if he had not had to wait for his fellow hashers. Viking came back shortly afterwards followed by a very tired looking Woodpecker who was clearly struggling.

On the hour mark Speedhound and guest returned. Despite the early hour it was getting darker and darker for those still in the jungle. All returned slowly except for Toddy, who had gone in early and Silentman and it was hoped that they had paired up to finish the run.

The Bunny announced dinner was served and as though on cue, the last two returned. People helped themselves to the delicious chicken balls in sweet and sour sauce, veggies and omelette. The moon had come out in all its glory and hashers drank and joked away as Spermwhale drove in back from the UK. We then had the circle. Many thanks to Bibi for hosting a lovely Harriet evening!

Please inform the On Sec a.s.a.p. where your run will be
Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Announcements from the On Sec Circle

1. First on the ice was invitee Shark. His crime was being his normal noisy, disruptive self and for going in early to do the Saturday run on a Thursday!!
2. It is that time of year once again that certain members disappear for 6 months heading home. Botak Chin and Miss Bollywood leave on Monday and so we said 'Bon Voyage' to Botak Chin once again. See you in May 2019.

3. Bommy on ice. His crime was being a gentleman (in hash....God forbid!) by offering to escort the ladies Pussycat, Rupiah, Speedhound and Lai on the run.
4. The next to cool his bum was Woodpecker. He started at 4.30pm. Finished about 6.45pm and said he was too exhausted to move. However his exhaustion didn't stop him from walking back and forth to the beer wagon!! A different kind of exhaustion perhaps??

5. A charge from the floor by Shark saw Spermwhale on ice. His crime was, in Shark's opinion and perhaps knowledge, that he was wearing Brothel slippers!!
6. A charge by Viking had the Bunny on ice next. He charged her with making the same mistake when she was lost a few years ago. She reached the clearing on the ridge and had no clue where she was and had to ask which way to go!
7. Bunny on ice. Thank you Bibi for the good run and great food.

Funnies

Little April was not the best student in Sunday school.

Usually she slept through the class.

One day the teacher called on her while she was napping, “Tell me, April, who created the universe?”

When April didn’t stir, little Johnny, a boy seated in the chair behind her, took a pin and jabbed her in the rear.

“GOD ALMIGHTY!” shouted April and the teacher said, “Very good” and April fell back asleep.

A while later the teacher asked April, “Who is our Lord and Saviour,” But, April didn’t even stir from her slumber.

Once again, Johnny came to the rescue and stuck her again.

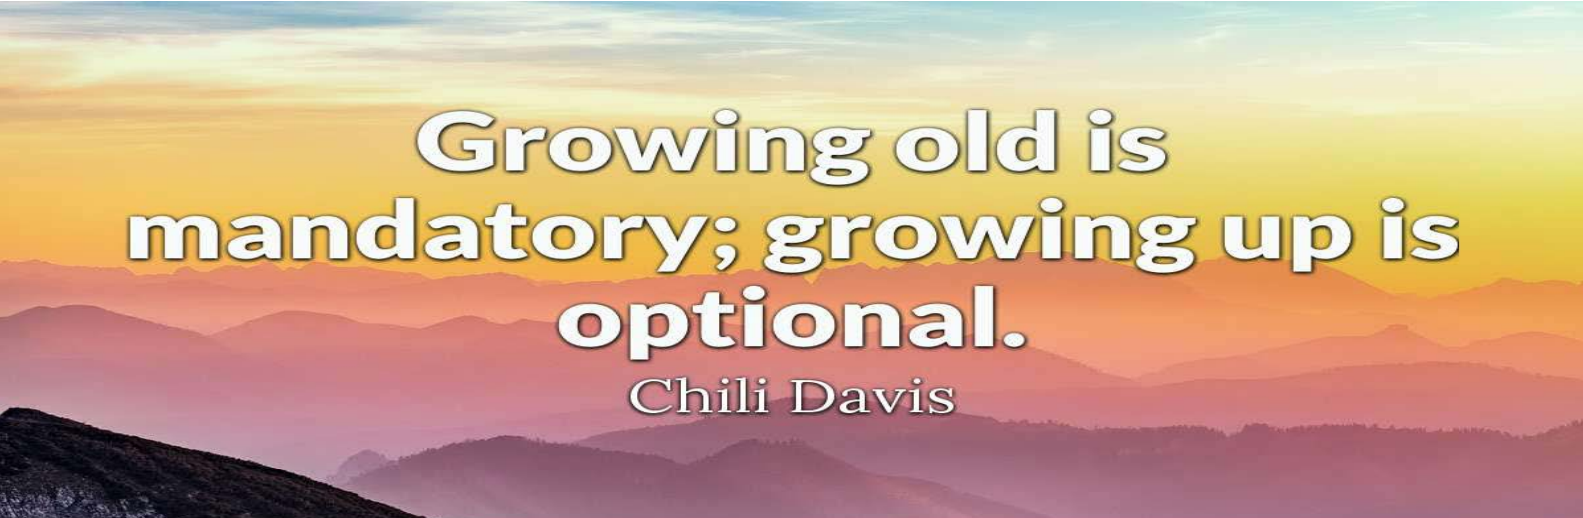

“JESUS CHRIST!” shouted April and the teacher said, “very good,” and April fell back to sleep.

Then the teacher asked April a third question.

“What did Eve say to Adam after she had her twenty-third child?”

And again, Johnny jabbed her with the pin.

This time April jumped up and shouted, “IF YOU STICK THAT F*****G THING IN ME ONE MORE TIME, I’LL BREAK IT IN HALF AND STICK IT UP YOUR ARSE!” The Teacher fainted.
