### On Sec Note's

*Run: 2438*

*Date: 1 November 2018*

*Bunny: Jungle Jill*

*Runsite: Bee Gallery*

Upon arriving at the runsite I received a message from the GM that she was running late and could I start the circle. Sure no problem, although I had actually planned to go in early and get out before dark.

Drippy Dick, Sai Seng and Molly were already there. Sai Seng informed me that it was the same short/medium run as Tuesday.

It was very busy at Bee Gallery, FTAC and Penang Sportsclub were also starting from Bee Gallery and it was searching for a parking place.

Slowly runners arrived and went in to do the run. Before the circle Money Manfred and Viking came out. They said it was a very nice run. Not too long.

# *Hash House Harriets Penang*

On the strike of 6PM we had the circle. Although at that time only 7 people attended to listen. Money told Drippy Dick not to pick up paper since all three chapters were more or less using the same trail.

Off the remaining runners went. Drippy Dick in front and Lily and Speedhoud chasing him. Rupiah, Silent Man and myself in the back.

We walked to the Botanical Garden, meeting the occasional monkeys, but they took off to the trees. Lucky because I am not a great fan of them.

We met Dr. Hike a FTAC guy who was balancing on the edge of the drain not sure what he was doing, to us it looked like he was trying to break his ankles.

Up the hill we went, nothing to say about it, just up and up.

After awhile we reached the top and started happily the down. Nice run, indeed short. But then we did not go down all the way, we had to go up again, pffffff

That was a bit of an effort actually and we were happy to reach the top where we could go down and try to be as fast as possible to get out before dark. I borrowed Money's almost empty torch because I could not find mine and Rupiah did not have hers with her. We passed Toddy Tan and Silent Man and him continued together while we sped up so we did not need a torch. We managed and shortly we arrived at the bridge and went back to the runsite. Where everybody else was having a nice dinner. Great run, I enjoyed it.

*Next week we are at Bee Gallery,  
for Ferrari's Run  
Please come and support*

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Announcements from the On Sec Circle

1. We decided on a short circle. Guests on ice, we had two Alvin, Chipmunk and Moira, both were gone, so item got skipped.
2. Although it was Jungle Jill's run the Bunny was nowhere to be seen. Sai Seng set the run and arranged food, so Bunny on Ice was also skipped.

# Hash House Harriets Penang

3. We had a Democratic Circle. Boys on one side and girls on the other side. Boys you have 30 seconds to decide which of the girls should be on ice. It was decided on Chen since she was not paying any attention. She brought her own drink to the ice so a good choice.

4. Girls you have a minute to decide which two boys should be on ice. The girls choose Viking and Sperm whale. Viking because he looks good on the ice. And again a good economic choice from the girls, since Sperm whale also brought his own drink to the ice.

5. Boys you have 3 minutes to decide which boy and which girl should be next on ice. Black German was singled out straight away and the boys decided on a color matching match so Speedhound was also on ice. Nice matching couple I must admit.

Circle closed, but then Moira showed up and we quickly opened the circle again since the circle beer was not finished anyway and welcomed Moira.

I made an undemocratic decision not to put Sai Seng on ice, as he is not the Bunny. Circle really closed.

## Funnies

Sleep with an open window tonight!

1400 mosquitos like that. 420 mosquitos commented on it. 210 mosquitos shared this.

One mosquito invited for the event. 2800 mosquitos will be attending the event.

Doctor: Hello, did you come to see me with an eye problem?

Patient: Wow, yes, how can you tell?

Doctor: Because you came in through the window instead of the door.

Men 1845: I just killed a buffalo.

Men 1952: I just fixed the roof.

Men 2017: I just shaved my legs.

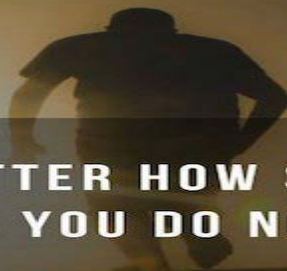

I was sitting in a bar one day and two really large women came in, talking in an interesting accent.

So I said, "Cool accent, are you two ladies from Ireland?"

One of them snarled at me, "It's Wales, dumbbo!"

So I corrected myself, "Oh, right, so are you two whales from Ireland?"

That's about as far as I remember.
