Run: 2441

Date: 22 November 2018

Hare: Kissingher

Runsite: Shamrock Beach, watertank

My co-run setter Viking was waiting for me as I arrived at the run site a little after 1pm. A quick decision on where we wanted to go and off we went.

Everywhere the green grass and lush undergrowth made everything look like a new place instead of the same old familiar trail. At least the soil had been settled by the rains but it was soft underfoot. We had to go through a passage and came up against the wall with lots of construction debris. This was the hardest part as rocks were loose with steel rods sticking out everywhere.

Once we hit the flat it was more straightforward and we started to climb up to reach the path which we followed but had to meander around the soil falls which

had altered the contours of the hillside.

We climbed up and ultimately came across a sign saying “long run/ short run” obviously left by another Chapter, as we reached the top and then it was all downhill from there except poor Viking got stung by small bees for his trouble! The evening brought together 33 members and initially 2 guests, Moira and Danny. We all know Moira but Danny was a young tourist wanting to experience the Penang hills before leaving. He was very surprised at how fit the Members were especially as some were twice his age!! Gray Ham who is staying nearby then strolled in making three guests for the evening.

The rain had been threatening to pour down all evening but thankfully it only drizzled a bit as the runners returned and then it went away again. By 7.15pm all were back as some of the slow ones had gone in earlier to beat the rain and the darkness.

Thank you to Kissing(h)er for hosting the evening. He couldn't set the run but it was a good one and the food, Thai Green Curry followed by homemade cake and earlier fruits were not to be sniffed at but thoroughly enjoyed. Many Thanks. I would like to say a big hello to Karin and Theo who are with us once again but for a few weeks only. I also say Bon Voyage to Bibi and Tonni who are heading back to Holland for Christmas. Have a great time and see you next year. Next week we are at Bkt Jambul for Jackpot's virgin Harriets' run as well as it being his birthday celebration. So please come and support him.

*Next week we are at Bukit Jambul,
for Jackpot's run
Please come and support*

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Circle

1. Welcome the guests Moira and Danny. For Danny it was the first time he did a hash and he really enjoyed it. See you again, welcome!
2. The first on ice was Moira. While we (Beauty Queen, Toddy Tan, Silent Man and myself) came down from the run she came up. When asked why she did the reverse run she complained that they send her to the wrong paper. As it turned out she herself choose the wrong paper, so it was her own mistake and she could not blame it on anybody else, which Moira did not once she realized it.

3. The next one was Kopi Tiam, Oyster Licker, because he was missing in action for a while. He said he was on holiday and missed us a lot! Not sure how true that was but it sounded nice.

4. Next on ice was Bommy, he was the first runner back so we wanted to know how come he was so fast and beating Iceman who looked actually slimmer than Bommy. Bommy said not drinking alcohol for a month makes you very fast. Later in the evening he was seen catching up on his booze less month, so we see how fast he is next week.

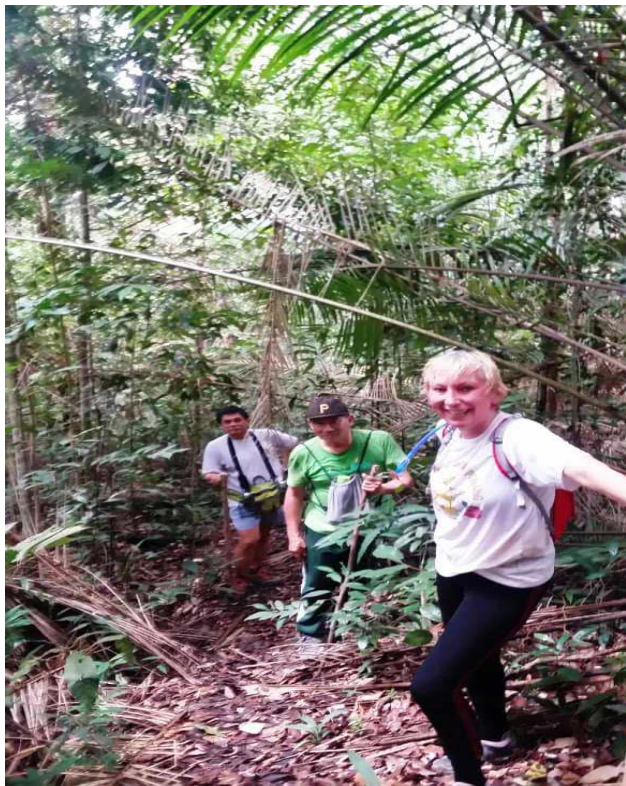

5. A charge from the floor by Good Year had Posh on ice. She was very busy with her handphone trying to get as many telephone numbers from the guys. It had something to do with creating a new Harriets Group on Whatsapp, so the run can be sent out every week by telephone. 5. We welcomed Fancy Pants and Fancy Panties back in Penang. They are here for a short holiday.

6. Hare on ice. We thanked Kissingher for the run, short run but the on up took a long time. And for the nice food with cake as desert. Another good night despite the rain.

Funnies

A doctor tells a patient, "Sir, you are highly contagious and must be placed in isolation. Until we get in contact with the Center for Disease Control and Prevention, your diet will consist of pizza and fried eggs."

"Will that help me get better again?" asks the patient.

"Not really. But it's the only thing we can shove in under the door."

Mother: Son, why aren't you talking to Mark anymore? You used to be really good friends.

Son: Well would you like to talk to someone who is kind of stupid, is using drugs and is drinking alcohol every day?

Mother: Of course not!

Son: Well neither would he."
