*Run: 2444*

*Date: 13 December 2018*

*Bunny: Christmas Elves*

*Runsite: Shamrock Beach, watertank*

The run set, done on Wednesday morning, comprised of Viking, No Choice and myself. Chief Hare Viking led the charge through a virgin "On Up" until we hit the track leading to the common Leader Garden trail. We tracked up and just as we came to the crossroads of "short run/long run" posted by a different Chapter, Viking set a check and picked up old paper so that he could set another trail. We backtracked from the crossroads, turned right and started going down to lay paper for the next bit of the trail. It was full of 'machine gun' creepers whose thorns dug into your skin at every opportunity if you got entangled in them with the wet slippery slopes being another factor we had to contend with.

We eventually hit the “On Down” trail which carried us back to the runsite.

Thursday evening saw the heavens open up and the heavy rain showed no signs of abating early on. Whether it was because of the rains, the location or that a number of people were away, the gathering number of hashers was extremely disappointing there being only 27 turning up for this once a year festivity. I was deeply concerned about the quantity of food that had been prepared and hoped that those who had shown up had big appetites.

No Choice arrived with the most of the food and Spermwhale arrived with the rest not long afterwards. Tables were set up under the shrine canopy and loaded with roasted pork and apple sauce, roasted chicken, roast potatoes, a variety of veggies, fried pork rolls, potato salad and homemade tomato soup with crusty bread and a delicious homemade cake to finish. It was quite a spread!

There was so much food but alas not enough people to do it all justice and even having subsidized beer didn't swell the numbers. Those present made a big effort and each had many helpings but in the end it defeated us all and there was no alternative but to ta pau the rest. Of the run itself only 6 people did it beside the 3 run setters, so disappointing!

On a brighter note, just before we started to eat the rain vanished enabling us to sit out in the roadside and chat, eat and drink in good Christmas spirit.

We decided not to have a circle this week but thanks were given to all those who contributed to the evening. Special thanks went to No Choice who masterminded it all and to the other cooks, Spermwhale, Mem Sahib, Grandma, Justbeer and Money. Thank you too to those who turned up and made the evening what it was. A small gathering but a lovely evening! Thank you to all.

*Next week we are at Shamrock Beach,  
for Black German's run  
Please come and support*

## Funnies

It is late December and the correctional court judge is in a good mood. He asks the defendant: "What are you accused of?" The defendant replies "I am accused of having done my Christmas shopping too early!" The judges says "But that's not a crime." "Well, it was before the store opened..."

A mafioso's son sits at his desk writing a Christmas list to Jesus. He first writes, "Dear baby Jesus, I have been a good boy the whole year, so I want a new..." He looks at it, then crumples it up into a ball and throws it away. He gets out a new piece of paper and writes again, "Dear baby Jesus, I have been a good boy for most of the year, so I want a new..." He again looks at it and throws it away. He then gets an idea. He goes into his mother's room, takes a statue of the Virgin Mary, puts it in the closet and locks the door. He takes another piece of paper and writes, "Dear baby Jesus, if you ever want to see your mother again..."
