Run: 2445

Date: 20 December 2018

Hare: Black German

Runsite: Shamrock Beach, watertank

We had an even smaller crowd this Thursday and I put it down to the season as a lot of people do not want to fight the traffic getting to the run sites. I do ask myself sometimes if we are getting soft, as most run sites are within easy distance. I wonder what will happen next week when we are at Francis Corner in Batu Ferringhi?

We had only 15 members but thank goodness we had 10 guests plus 3 minors too which helped to swell the numbers. Thank goodness too that the actual hashers doing the run had increased from the 6 who did it last week. It was a short run set by Black German himself along with his sidekick Sai Seng.

The run took a tour of the hills (which are slowly disappearing) near the Wattertank. It also showed you what happens to construction debris once the job is done as, in true Malaysian fashion, it is left in someone else's backyard, in this case Natures!!

Viking and Toddy had gone in early and Viking was back within the hour leaving Toddy to meander on his own as he was too slow! Iceman went in just after 6pm and was the first back in under 40 mins. I wonder what he eats that makes him run so fast?

All returned including the guests and the Dinner Club members rolled up just as Sai Seng brought out his portable stove and eggs to fry along with chicken curry and bread. No Choice had also brought along some chicken stew which all went down with subsidized beer, courtesy of the Hare.

It was a beautiful evening and the small crowd made it a somewhat cosy atmosphere as Members ate, drank and chatted. I finally left around 10pm as my bed was calling.

Thank you to Black German for the wonderful evening and hosting the run, food and subsidizing the beer.

I take the opportunity to wish you all a Very Merry Christmas and a Happy, Healthy and Prosperous 2019

*Next week we are at Francis Corner, Batu Ferringgi
for Uncle Bee's run
Please come and support*

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Circle

1. Despite having 10 guests there was only one remaining when we had the circle. Welcome to King and to all the others who came.
2. The GM then put a surprise hasher on ice. Biking Sheila was supposed to be still in Aussi but she turned up out of the blue (or should that be green and gold). Welcome back.
3. We didn't have a circle last week and although thanks were given to the contributors the GM thought that No Choice should take to the ice throne as she was the Organising Chair for the run and arrangements. Many thanks, it was a great evening.
4. Whilst Toddy was peering at the food and having more, someone asked him about his in-depth study of it. Well he said one can't get enough of good things. Just as getting pussy to suck!! Now you can see why he was on ice once again!

Hash House Harriets Penang

5. Kwai Lohs, Mat Seleh, Orang Putih are of heard terms for describing foreigners especially white. However there is a derogatory word for South Indians too which Beauty Queen joking used towards her friend Black German. If you want to know what it is you had better ask her!!

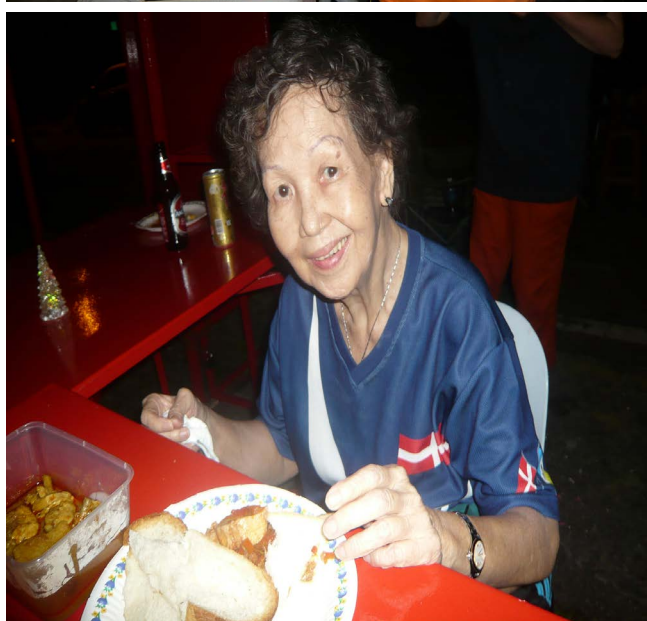

6. A charge from the floor by Iceman saw the Hare on ice. The charge was for using the old logo paper and not the new one. Just trying to confuse everyone!!

7. Hare on ice once more. Many thanks to Black German for the evenings' hosting. A good short run, good food and subsidized beer. Weather was fantastic too. Another great night!

Funnies

I'm selling my talking parrot.

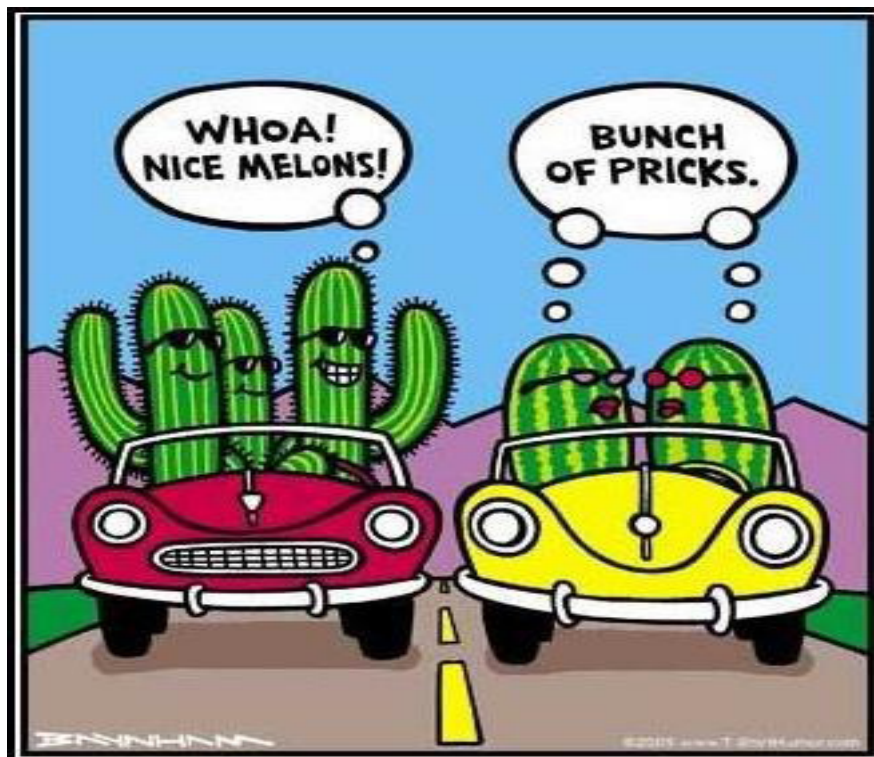

Why? Because yesterday, the bastard tried to sell me.

Two guys are out hunting in the woods when one of them collapses. He doesn't appear to be breathing, his eyes are glazed over. The other man pulls out his phone with trembling fingers and calls 911. He gasps, "My friend is dead! What can I do?"

The operator says "Please stay calm. I will help you. First of all, let's make sure he's dead."

There's a silence, then a gun shot. The guy gets back on the phone and says "OK, now what?"

I've decided to run a marathon for charity. I didn't want to do it at first, but apparently it's for blind and disabled kids so I think I've got a good chance of winning.
