Run: 2446

Date: 27 December 2018

Bunny: Uncle Bee

Runsite: Francis corner, Batu Ferringhi

On Wednesday morning Sai Seng, Viking, Bullshitter, Texas Tits and myself met at Francis Corner to set the run for Uncle Bee. My, the place has changed somewhat! There is now a great place to sit with a canopy, a garden like atmosphere, a barbeque, water from a stream and two dogs who guard the place. It is looked after by two brothers who we thanked for letting us be there. There is also a new set of steps leading up the hill and it was here that we started the run. There had been a lot of rain recently especially in the evenings and this had made the soil very soft and muddy. At the first ridge we veered left and went along it until we came to the end and then we veered right to climb up again.

At this point I was amazed at the building that has been going on!! There were new bungalows and apartments all over the place. Along with these came the detritus which had been dumped anywhere and everywhere. It seemed unending and very depressing to say the least!!

Up we climbed further until we reached another tier and I hoped the end was near as I was getting tired by this time with the wet soil and mud making every step a stamina sucking one! Thank goodness Texas Tits was with me and pushing me to go on and after what seemed a million stops I reached the top. Here my babysitter changed and Bullshitter took over to accompany me down the track back to the run site as Texas Tits took flight. Thanks to both of you! It took over 4+ exhausting hours to set. Luckily at the run site the Bunny had kept 100+, water and beer plus her famous 'porridge' to boost our recovery.

On Thursday I warned the slow ones to start early and got replies of only coming for the On On from some of them. Arriving at the runsite I learned that Sai Seng had already gone back in with his Godson. Goodyear and Oyster Licker started at 5.30pm. By the official off there was a smallish crowd and an even smaller number of runners once again.

The first pair out were Sai Seng and his Godson but I don't know what time they started. Goodyear and Oyster Licker didn't come out until 7.15pm meaning it took them an hour and three-quarters to finish. Of the normal starters Ice-man was out at 7.20pm taking an hour 20mins to finish and commenting it was a long and difficult run not normally associated with the Harriets!

By this time the barbeque was in full swing as the Bunny set the table with smoked duck, Beehoon, fried chicken, lamb and salad.

It was dark now but there were still three to return. Fortunately Jackpot returned fairly soon after so that left Alvin, our regular guest, and Silentman (who unbeknownst to me had been trying to call me to get directions.) He finally returned at 8.45pm about 10 mins after Alvin had got back.

The hashers had their fill of the food and subsidized beer and we had the circle.

The Bunny had put on a good spread and even though we had another smallest crowd there was a festive atmosphere to the whole evening. Many thanks to Uncle Bee for the evening's hosting, it was a befitting end to the year!

On behalf of myself, the Committee and the Club I wish you all a very Happy,
Healthy and Safe 2019.

Please inform the On Sec a.s.a.p. where your run will be

Circle

1. Welcome to Guest Nang @ Nutcracker. Nice to see you once again.
2. Sai Seng was next on ice for setting such a tough run for a Thursday. It wasn't that long at 4.4KM but the last On UP was steep and a killer!
3. The beautified area where we were sitting is looked after by two brothers and hence we had Heng sit on the ice in thanks for all their hard work.

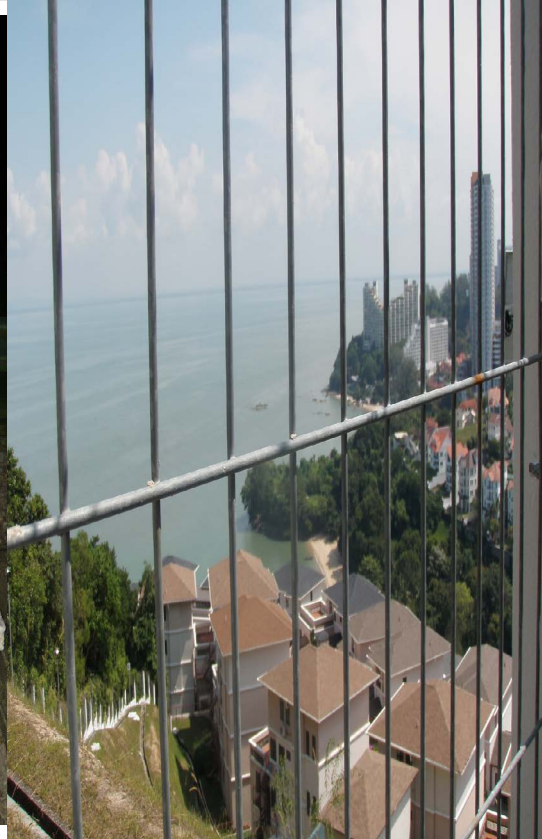

4. A charge from the floor by W'Anchor saw the GM on ice. Her crime was for not cumming with Akz Hole for the last run of the year.
5. No sooner had the GM risen from the Ice Throne than she was back on it. This time Sai Seng charged her. It would seem that last week she was supposed to help set Black German's run but didn't go as she thought it would be too short. This week she did help to set but was complaining it was too long and too tiring!!
6. Bunny on ice. Many thanks to Uncle Bee for a great hosting with delicious food, a tough run and subsidizing the beer.

Funnies

What did the judge ask when he went to the dentist?

“Do you swear to pull the tooth, the whole tooth and nothing but the tooth?”

My friend boasted he had the body of a Greek god. I had to explain where Buddha actually comes from.

“Mom, don’t get alarmed, but I’m at the hospital.”

“Son, please. You’ve been a surgeon there for 8 years now. Can we start our phone calls differently?”

The kangaroo mother got incredibly itchy around her belly. She opened her pouch and yelled into it:

“How often have I told you not to eat the crunchy cookies in bed!”

Why is it a bad idea to insult an octopus?

Because it is well armed.
