## GM Note's

---

*Run: 2448*

*Date: 10 January 2019*

*Hare: Pukka Sahib*

*Runsite: Bayee Pass*

Driving in Speedhound's overloaded car it gave a huge sigh of relief when we finally arrived at the runsite. There were 5 of us car pooling and the pull up the last hill required the air con to be turned off or so Speedhound thought, much to the impending heat suffocation of the rear seat passengers. No Choice and Speedhound were the lightest followed by Molly and then came Biking Sheila and myself bring up the rear...pun intended!

There were only Marks & Spencer and Iceman showing support when we arrived but unbeknown to me Toddy had started early. The Hare of the day, Pukka Sahib, was delayed since at lunch time Mem Sahib had fallen and dislocated her

shoulder. They had to go to the hospital in Balik Pulau nevertheless were now on their way to the runsite. Moira @ Period and today's co-hare pulled up in her father's flashy Merc, when the Fosters family (or part thereof) also turned up. Thank you for that as it is a long way from Miami Green especially at that time of the evening! So we had a small group assembling for the run with the General arriving also.

The run started across the road from the now abandoned (almost anyway) Anjung Indah and continued down a picturesque route of tar road, farms, deserted mansions and back to the runsite. The hare said it was almost a figure of eight with the out and in paper being very close at one point.

The Hare and Mem Sahib duly arrived and MS recounted how her accident happened with Akz Hole telling her to 'take more water with it next time!'

The General and M&S returned but where were the other FRBs? It turns out that some took the wrong trail (remember the point where the trails were close by each other) but it was short and so Iceman persuaded the ladies to follow him on a second round and who can resist him!!

In the meantime the food was laid out with an array of cupcakes, homecooked Indonesian fare of such taste and simplicity that it had all coming back for more. There was Tempe or soy cake done with peanuts, fried chicken marinated with turmeric and lemongrass, raw vegetables for dipping in a delicious Satay peanut sauce and rice with herbs. Mem Sahib said her Indonesian maid had cooked it as she couldn't and it was delicious.

Afterwards we sat and chatted, had a quickfire circle and then left for home so that Mem Sahib could get to bed and rest after her ordeal of a day!

Thank you to both Pukka Sahib for the hosting and to Mem Sahib for her support even though injured. We all wish you a speedy recovery.

*Next Week we are at Youth Park, Sai Seng corner,  
for Huge's run*

*Please come and support*

## Circle

1. Welcome to our guests Yolanda and Period. Nice to see you as always. Period was also co-hare on the day. Many thanks.
2. The GM then put Toddy Tan on the ice once again. During the evening he was complaining about the subs and that he hadn't paid for 2020. (Keep taking the tablets Toddy!! ...Ed.)
3. Next up was Speedhound. She had kindly arranged to give 4 other Harriets a lift to the run site but was complaining that the combined weight of all 5 of them was making the car struggle up the hill and so she had to turn the A/C off in the car.
4. A charge from the floor by Period saw both Speedhound and No Choice on ice. The 'crime' was for going round twice but in different directions.

5. The last icing for the evening was for the Hare Pukka Sahib. Despite the emergency at lunch time both he and Mem Sahib put on a lovely and delicious spread for all and PS set the run too. It was a small crowd but the evening was very enjoyable with all being together, chatting away and the cooling breeze was fantastic.

Don't forget that your 2019 Subs are being collected. Please don't let us have to chase you for them!

## Funnies

You know you're ugly when you get handed the camera every time they make a group photo.

Fastest way to stop an argument between a bunch of deaf people? - Just switch off the lights.

Lena: "Darling, I really think it's time we got another baby." Charles: "Oh I'm quite relieved you said that. The one we have is a real pain in the neck!"

Where exactly are you taking me, doctor?" "To the morgue." "What? But I'm not dead yet!" "And we're not there yet."

I got a job as a librarian, but it only lasted half an hour. Turns out, books about women's rights shouldn't go in the Sci-Fi / Fantasy section.
