*Run: 2449*

*Date: 17 January 2019*

*Hare: Huge*

*Runsite: Youth Park, Sai Seng corner*

The ever faithful but shrinking number of hashers gathered for the Thursday Hash. The Club seems to function on the bare minimum nowadays as a number of members seem to have deserted us for a 'much more exciting' Club and not remained with the Harriets. I refuse to believe (as some are predicting) that this Club will roll over and die. We have survived for 45 years so far and I expect to see us being around for quite some time to come. However we do need an injection of new members just to add some new ideas.

The run was set by the Hare, aided by his daughter Yolander. It was partly the reverse of an 'On Down' trail from a run by another Chapter but the rest was the

Hare's idea. The trail was a well trodden hikers' path and of course some paper in different parts went missing adding to the enjoyment of the run. A slight but light drizzle welcomed the members as they gathered but it went away quickly leaving a cool evening to be enjoyed.

The first back were Iceman and The General. Since paper was missing the ones behind were told to return by way of No.5. Slowly the Hashers trickled in except for Speedhound who kept Pukka Sahib company and they were the last to return.

The food was served and eaten and subsidized beer drunk as the small crowd relaxed and chatted away. We had a superfast circle just so we didn't spoil the ambiance of the evening. Many thanks to Huge for the hosting, the run, the food and subsidizing the beer! It was a small crowd but nevertheless a lovely evening.

*Next Week we are at Bee Gallery,  
for Biking Sheila's run  
Please come and support*

## Circle

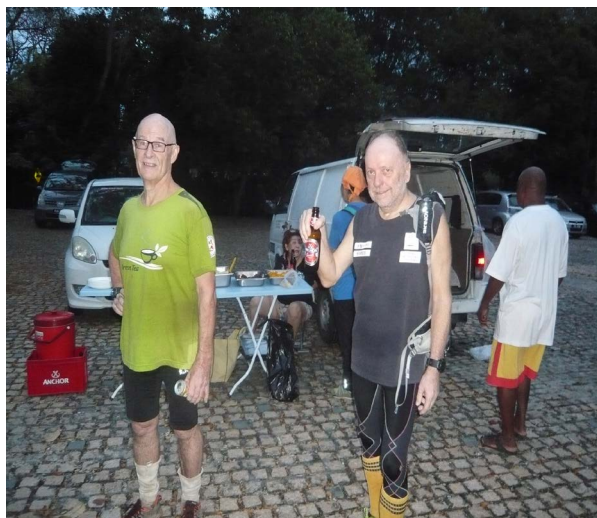

1. Welcome to our guests Tom & Gill Cusack and Period. Yolander was also present but decided sitting drinking was a better option.
2. The GM then put Toddy Tan on the ice once again. This week was for being topless hence no Hash shirt. Interestingly he didn't know his boob size!!
3. Hare on Ice. Many thanks to Huge for hosting the evening and setting his own run too. The food and subsidized beer were very welcome as was the wonderful cool evening.

## Funnies

“What happened to your cat? He was running around the whole village like the devil was on his tail.” - “Well he got castrated yesterday and now he’s canceling all his dates.”

A man drives deep into the forest to get rid of his cat. He lets her out at an abandoned place. After one hour he gets a phone call from his wife: “The cat is back.” The man growls: “Ok, can you put her on, I got lost and need directions.”

Two neighbors meet: “Your cat killed my Pitbull.” - “No way, that is impossible.” - “Yes, he choked on her.”

What is the difference between a man and a cat? - One eats a lot, is lazy and doesn’t care who brings the food. The other is a pet.

Emergency call at the police station: “Please come quick. It’s a life and death situation. Our dog has become very aggressive. He might do something to me.” - “Who is there?” - “The cat.”

Bob to Joe, “What the heck, Joe, I’ve just heard your dog meowing. How come?!” - “Ah yeah, that’s OK! He is just learning a second language.”
