Run: 2450

Date: 24 January 2019

Bunny: Biking Sheila

Runsite: Bee Gallery

Bunny Biking Sheila sent out a SOS because our usual run setter Sai Seng has migrated leaving the old ladies in a lurch. Chief Hare Viking stepped in and suggested that he and I set the run on Wednesday and hence have a day's rest on the Thursday.

We met at 10am whilst it was still cool and before the sun got fully awake to make it very hot later on. A quick discussion and the 'On In' was across the bridge and straight in! Up we went along the trail and being this time of year, it was nice and dry making for fast progress. Just up the first rise we decided to place a check. We went left skirting the dry hill with rotting and rotted fallen

tree trunks. Viking put the check on the highway to confuse the FRBs. Up and down we went until we hit an On Up and started climbing once more. Dry thorny leaves were everywhere but all it took was a whack with a stick and they just crumbled they were so dry.

The On Up led to the Hash Highway where Viking laid a second check and a bar. We continued on the Hash Highway then turned right down to the stream, up the other side to hit the On Down on the Lily pond trail which was very dry, shaley and seemed to go on forever.

Thursday evening came but there was no parking or very difficult parking to be had as the FTAC were also running from Bee Gallery that day. They took our usual spot at the front but we had enough room to occupy the middle section to the left of the fruit seller.

We had 3 guests, Gregory and Mariee from Prague and our usual guest Period. This week we also had three invitees, Yolanda, Nisha and Ferrari who was an invitee since she is leaving to relocate to Germany quite soon.

First one back in 55 minutes was, as usual, Iceman, with the comment “when did Harriets start having checks on the run?” Others followed thereafter except for Toddy Tan who, having crossed the bar, ended up at Charlie Market and had to come back via a Grab!!

Food partaken, Beers drunk and being drunk, the crowd swelled by the arrival of Dinner Club members, we settled for the circle and birthday celebrations. Thank you to all who came to make the evening full of camaraderie and fun. A big thank you to the Bunny for the hosting and subsidising the beer! It was another great Harriet night!

Don't forget that your 2019 Subs are being collected. Please don't let us have to chase you for them! This is the last opportunity before being charged guest fees from February.

Circle

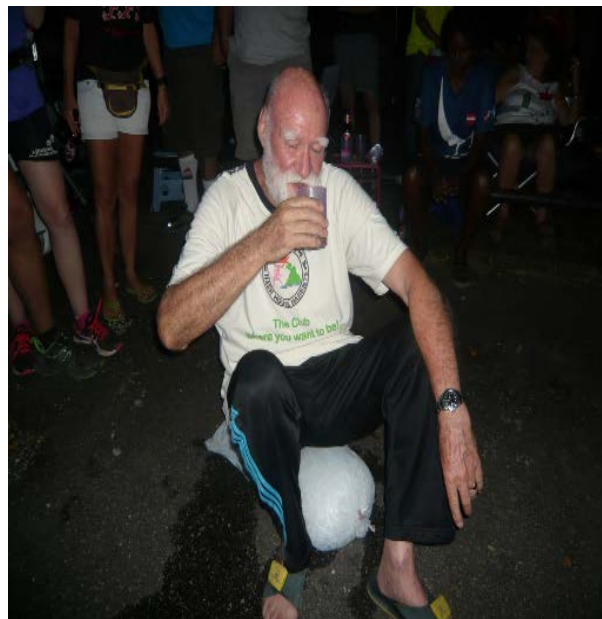

1. Welcome to our remaining guests Gregory and Mariee, as Period had left. They thoroughly enjoyed the experience and hope to join with us again.
2. Ferrari was next on ice to say a fond farewell as she is relocating to Germany after being in Penang 5+ years. We will miss you.
3. Nisha was then called to the Ice Throne. She is an ex GM of Harriets and was an active member for over 20 years. She still runs hash but with a different group these days and just recently celebrated 40 years in hashing. A remarkable achievement.

4. A CFTF saw Money put Huge on ice. Money hasn't been hashing lately as he was on MC but today he went with Huge expecting to be very slow. It turns out that Huge was even slower and Money soon found himself quite a way in front. He then stopped to wait for Huge but Huge didn't arrive!! Money then went on after some time and who did he bump into on the way back, none other than Huge who had either back tracked or SCBed ...not sure which.

5. We had a joint celebration for the December and January born members next. Happy Birthday to all of you!

6. The GM then put Jackpot on ice. The reason is that he is usually so quiet and she wanted everyone to know that he had paid his subs for the year!!

Hash House Harriets Penang

7. Another CFTF saw Viking put Toddy on ice which was natural since he committed the most heinous crime of crossing a bar and then having to come back by a Grab.
8. Bunny on Ice. many thanks to Biking Sheila for the hosting and subbing the beer. It was a great night.

Funnies

What do you get when you cross a dog and a sugar?

Trouble with the postman.

What do you get when you try to cross a pit bull with a computer?

A lot of bites.

What kind of dog eats with his ears? - They all do. I haven't seen a single dog remove their ears before tucking in.

What happens when you cross a dog and a cheetah?

- You get a dog who chases after cars a lot – and actually catches them.

What an amazing, clever dog we have, darling. - He brings in the newspaper every day, and we've never even subscribed to any!

What do you call a sleeping Rottweiler?

Anything you like, just very quietly.

What is the question a flea often has to ask itself?

Should I walk or take a dog?

How do you stop a dog from barking in the back seat when you're driving?

Invite him to bark in the front seat.

What do you get when you cross a Doberman and a hyena?

No idea, but if it laughs, I join in.
