Run: 2451

Date: 31 January 2019

Hare: W'Anchor

Runsite: Batu Gantung Cemetery

Toddy and I had arranged to do W'Anchor's trail at 4pm as we are both slow and Toddy half blind. As we started walking towards the cemetery an older gentleman told us about the paper leading up the stairs by the Indian temple. Walking up the overgrown steps in the afternoon sun was hot and prickly. Fortunately we were soon in the shade but were slowed down by the tangle of vines everywhere. The trail was very well marked with no other papers except for the Harriets' logo and some blank paper, so there should be no following wrong paper this week! We made slow progress and many a time Toddy gave me a helping hand climbing up with a reminder that it would cost me a beer for every time he

helped!! Slowly but surely we made progress up the hill until we exited onto the Hash Highway startling some guys who were passing along the trail to 45. They asked if there was a path down but we assured them it was a torturous route and steep and not a pathway like the one at the end of the track which was actually the on down back to the runsite.

When Toddy and I reached the run site W'Anchor and his entourage were sitting drinking beer with packets of food. I took the opportunity to drive home and change as it was still early. When I returned most runners were back or almost back except for Period and 2 friends who went in at 6.20pm. They returned in the dark but none the worse for wear.

By this time the hungry Hashers were partaking of Murtabak and subsidised beers. Some had eaten it before but didn't know its name. Now who says you don't get an education at the Hash!!

Close by were some people flying kites and the smallish crowd were quite interested in watching them than having a circle especially as one got stuck in a tree and they had to get a retractable Chingay pole to get it free. Then we had the circle!

*Next Week we are at Old Taman Pekaka,
cemetery for Speedhound's run
Please come and support*

PLEASE NOTE TO PARK AT THE SCHOOL NOT INSIDE THE RESIDENTIAL AREA.

Circle

1. W'Anchor first put the GM on ice since she disappeared quickly after exiting earlier. She said she was going home to bathe and change but of course it was suggested she really wanted to get home for carnal relations with Akz Hole.
2. What do you NOT do in hash if you are an experienced hasher? Wear new shoes right!! Not Pimp who was caught out and paid the ultimate sacrifice!

3. A CFTF by Iceman saw Spermwhale on ice. There had been some previous ribald conversation regarding peanut butter, where to put it and a dog. However as Iceman pointed out, if it was a dog Spermwhale owned, it would be intolerant to peanut butter!!
4. Toddy was next on ice, put there by the GM. This time it was to thank him

Hash House Harriets Penang

for spurring her on whilst on the run as she struggled up the hill and for giving her his stick. At this point W'Anchor charged the GM and asked her to sit on the ice also where he then wanted to know what kind of stick? How Long? How wide and whether it matched up to Akz Hole!!

5. Hare on ice. Many thanks to W'Anchor for his virgin hosting of a Harriets run. Thanks for the good run, good food and for subbing the beer.

Birthday card inscription: Recent research revealed that 4 out of 5 people can expect money in their birthday cards. Happy Birthday, number 5!

Boyfriend: How come you didn't get me a present for my birthday?!

- Girlfriend: Well, you did tell me to surprise you.

Knock-knock! Who's there? Abby! Abby who? Abby Birthday to you!

Happy Birthday. Soon you will get older and then you can laugh, sneeze, cough and pee at the same time.

Patient: Doctor, I get a strong stinging feeling in my eyes every time I eat a birthday cake." Doctor: Next time, blow out the candles.

Thank you for your birthday wishes on Facebook. Who are you by the way?

You know you are getting old when you start getting birthday cards from your orthopedist.

Honey, you really don't have to do the dishes on your birthday. Do it tomorrow.

Your upcoming birthday reminds me of the words of the old Chinese scholar: Yung No Mo

Thank you, grandpa. The violin you gave me for my last birthday already brought me a lot of money. - Really? You play so well? - Not at all. But mom and dad give me money to stop playing.
