### On Sec Note's

*Run: 2453*

*Date: 14 February 2019*

*Bunny: Chinese Committee*

*Runsite: Island Glades, FTAC Temple*

Island Glades 6pm not easy these days with all the traffic on Green Lane, so I decided to be early. First I drove to Jalan Tembaga, I know not smart, you think you know where you are going but you drive yourself to the wrong runsite anyway. Got my phone and found Google maps to direct me to the runsite. After a few minutes Toddy arrived and he decided to go in already. Had I heard anything about the run? Yes I had, Beauty Queen, GM, Sai Seng and Oysterlicker had set the run yesterday and apparently it was a short run, but the down was difficult. Off he went. GM arrived and Posh and Rupiah as well so we also went in already since we also are not the fastest these days. Up the stairs it went. Posh in front,

Rupiah in the back. We did feel some intake from Chinese New Year coming out in sweat! It was not easy, luckily Posh saw some nice lilac flowers and we needed to do a photoshoot so we all could rest for a while. Up it went again, almost at the top of the first hill Iceman passed us and he commented that it was not easy. Finally the paper went down. He he back to the runsite, but no. We did not go back to the runsite yet, we needed to do another up, geeh another, pffff. So even slower up it went. During the run faster runners overtook us. Then finally the down came, which was indeed not an easy one. You really had to look how to do it. We passed Toddy and he did not look how he went down, he just slid on his bum! Back at the runsite the food was already served. Everything looked really good. The cooks had done an excellent job. Toddy also came out, took him almost 3 hours to do the run. He went straight home to get sambal and Toddy. The sambal was also very nice.

The nice part of this runsite is the shower, Samy had even put a light in the shower. Upmarket it was. The food was washed down with cool beers and we settled for another great evening.

Thank you all for your contributions towards this Chinese New Year Run.

*Next Week we are at Botanical Gardens, Quarry,

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Circle

1. Welcome to the guests. We had quite a number of guests for the run, of which only 8 stayed for dinner though. However thank you for coming and making the event successful.
2. The GM then called out the contributing Chinese members who had sponsored the evening. The run was excellent, the food delicious, the beer was subsidized and the evening's atmosphere fantastic. Thank you all so much for a brilliant evening!
3. Next on ice was Money Manfred. He is on MC these days and is not supposed to run up the hills but he still comes to support the Club and we thank him for it.

4. A CFTF by W'Anchor saw Ferrari the next to cool her bum. Not quite sure how it came about but somehow when they were talking, Ferrari wanted to know the meaning behind W'Anchor's name and the T-Shirt he was wearing. Never one to let an opportunity like that to pass him by W'Anchor sat her on ice and FULLY explained the meaning even down to the white blobs on the back of his shirt!! While this was going on Iceman made a comment of that's all he gets these days and so W'Anchor introduced Iceman to the ice as "The W'Anking Whisperer" if ever Ferrari wanted any help!!

# Hash House Harriets Penang

5. A second CFTF by W'Anchor saw Posh on the ice. It was something to do with Rupiah, Posh and I believe Tulips all posing together whilst on the run around some wild flowers and having posted them already. So there was nothing for it but to have all three on the ice.

6. A CFTF by Money put Huge on the ice throne. As we know Huge has been having treatment for his eyes and it was completed this week. Last week he was on a high saying everything was so much better now (after one being done) and that all the women were beautiful. Now he has had both eyes done and is now chasing his beautiful wife around the kitchen. But beware says Money he has X-RAY vision now!!

## Funnies

You know you might be a redneck when:

You see a “No crack” sign and you pull your pants up.

You see your farts as your best jokes.

The dog can’t help gagging whenever he sees you eat.

You finally get to cutting the grass and find a car.

You think the stock market has a fence around it.

Your family tree is just one long trunk with no branches.

Your beard attracts birds.

You took out your toothpick only for wedding pictures.

Fast food is hitting a possum at 80 mph.

You’ve at least once hit a deer with your car because the food store was already closed.

You’ve ever had the thought rat traps made acceptable gifts.

A night trip to the bathroom involves mud boots.

People hear you coming in your car quite a long time before they get to see you.

You have lard on your bedside table.

You had to ditch your back seat bench so all your children could fit in.

Sixth grade is senior year.

You have a really bad fall and the one thing you save is your beer.

You had to buy a VCR because all the wrestling matches are on when you’re at work.

You take your garbage to the dump and come back with more than you brought there.

They banned you from the zoo because you distress the monkeys.

You keep seeing your neighbors on Jerry Springer.
