*Run: 2455*

*Date: 28 February 2019*

*Hare: Palani*

*Runsite: Island Glades, FTAC Temple*

Mission Impossible, Goodyear, Beauty Queen, Sai Seng and myself set out on a hot Wednesday morning for MI's run on Thursday. Coupled with the dry weather it was suffocatingly hot and still climbing up to the ridge, circumnavigate it to the Farlim side and then make the long climb back up and then down once more back to the runsite. If going up was tough the On Down with a carpet of leaves was far worse!!

On the Thursday evening a smallish crowd gathered for the start of the run but the crowd slowly built up through the evening as more guests and friends arrived. The hare had also put a beer stop on the run along with soft drinks to quench the thirsty hashers on route. First one out was Peter Wong from THK who said most of the hashers were still at the beer stop. Others trickled in after that. The crowd was now quite sizeable and most had returned from the run except Silent Man and Suddakar who was super slow.

The appearance of a 4.5Litre bottle of Whisky gave an extra boost to the already jovial atmosphere as did the delicious food and subsidized beer. Everybody ate and ate and the drinks flowed like a river in full flood.

It was 8.30 when Suddakar and Silent Man returned and after allowing them some time to eat and rest we had the circle.

Many thanks to Mission Impossible for the great run (one of the best), delicious food, beer and whisky! Hashers stayed way past their normal disappearing times and I expect a few would have hangovers in the morning. I called it a night around 11pm but there was still a sizable crowd sitting there.

Once again thank you to everyone who turned up and for contributing to the fantastic atmosphere of the evening!

**NEXT WEEK IS THE AGM RUN AT THE QUARRY, BOTANICAL GARDENS. FOLLOWED BY DINNER AT WHITE BEACH RESTAURANT**

# CIRCLE

Welcome to our guests

Don't put your hand up if the GM asks something. Peter did and it got him sitting on the ice as a result.

Peter Wong however was on time and first out. He even stopped for a beer on route!!

Black German is not a member this year but came as a guest and looking for young girls. What he forgot about the Harriets though is that OLD IS GOLD!!

A CFTF by Naga saw Oyster Licker cooling his bum. Naga had looked around and saw OL sitting quietly so he put him on ice for being quiet, a good runner and a great friend.

Another  
CFTF saw  
Saylor and ?  
On ice.  
Apparently  
they didn't  
stop at the  
beer stop as  
they wanted  
to finish the  
run.

Welcome to  
our friends  
and the GMs  
of the IA and  
Batang  
Hashes.

Celebration of the February birthdays but no one was there but we went ahead anyway with MI standing, or rather sitting, in.

So not only was he sung to for that but the GM also thanked him for the great run, delicious food and the beer and whisky.

It was a fantastic evening and enjoyed by all late into the night!

\*Wanted : Gynecologist's Assistant\*

A man went to Mount Elizabeth Hospital and saw a card advertising for a Gynecologist's Assistant. Interested, he went in and asked the reception for details.

The reception pulled up the file and read :

"The job entails getting the ladies ready for the gynaecologist...

You have to help the women out of their underwear, lay them down and carefully wash their private regions, then apply shaving foam and gently shave off their pubic hair, then rub in soothing oils so they're ready for the gynaecologist's examination.

The monthly salary is \$3,000.00 and...  
if you're interested you'll have to go to Batu Pahat"

"Wah lau , is that where the job is?" asked the man....

She answered,

\*"No, that's where the end of the queue is now."\*

Since man can not  
raise his voice  
against his wife...

God allowed him  
to snore aloud at  
night.
