### On Sec Note's

*Run: 2457*

*Date: 14 March 2019*

*Hare: Spermwhale*

*Runsite: Leader Gardens, Twin Towers*

Today was Spermwhale's run. Last week he was already sharing his menu ideas with whomever lend his or hers ears to him. So I expected a reasonable turn-out. I needed to do some things in town first and on the way home I stopped at the runsite. The GM could not make it this week as she had other plans for the evening. Arriving I saw two familiar cars already parked. Viking and Toddy's so I assumed they already went in. Slowly other Harriets arrived and indeed it turned out to be reasonable, over 20 runners. At 6pm the run was started and off they went for a medium run according to one of the runsetters, No Choice. I left the runsite in capable hands to dash off home, were I needed to do also some

things. I picked up Mini Sausage as well and we returned to the runsite where even more Harriets had arrived and also the beer wagon Sami. Viking came back from the run and said it was a long run. More runners came back and the consent was the same a long run. Except Iceman, who is super fit, perhaps we should rename him superman!

In the meantime Spermwhale had also arrived and with the help of a shopping trolley he was unloading his car with tonight's dinner.

Posh had brought a new member, Sherrine, who looked very fit and before the run I saw her doing all kind of stretches, looking very professional. But it got later and later and Posh and Sherrine were still not back. What happened there? Spermwhale opened dinner and food was served. He cooked beans, potato mash/salad and Uncle Bee had made coleslaw salad. All very tasty. We still were keeping an eye out for the back runners and finally they all were out.

Sherrine decided not to be a member after all, she said it was difficult, she wanted to try another time if hash is really something for her.

Second helpings were served and it was more than enough food. After the circle General Tojo and Chris came and the evening was nice and entertaining. Spermwhale also subsidized a few crates of beer.

Somebody left his tongkat at the beer wagon, but now I forget who brought it home. Perhaps Sami still knows.

Thanks Steve for a great dinner, cold beers and good company.

*Next Week we are at Lembah Permai, Shoplots,

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Circle

1. Welcome to the guests. We had 4 guests this week, Sherrine and Period for the run, Uncle Bee and Kellin were Spermwhale invites. Hopefully we will see Sherrine back.
  2. The On Sec then called Beauty Queen on ice. Once she sat down Peter was asked to join her. Peter arrived early at the runsite and started to change when Beauty Queen arrived. Just after the start of the run Beauty Queen left and said she needed to go to her shop. Nothing unusual about that. Only when we came back she handed some boxes over to Peter who quickly put it in his car. So long story short, what was in the boxes, we wanted to know? Some beauty products she said, but she did not want to disclose the color.
  3. No charges from the floor. Hare on ice. He was thanked for his efforts his great spread of food and for the subsidised beer.
- Circle closed and we did some more socialising, great evening.

## Funnies

A woman in a bikini reveals about 90% of her body.... and yet most men are so polite they only look at the covered parts.

Yesterday I learnt that 20 piranhas can strip all flesh off a man within 15 minutes. - Unfortunately, I also lost my job at the local swimming pool.

What is grey and can't fly? - A fat pigeon

I should have been more suspicious when the Chinese guy offered to "wok my dog for me"...

Did you hear about the new movie constipation? - [No] - It hasn't come out yet.

My wife whispered in my ear today that she's not wearing any underwear. Oh boy, now she's already growing forgetful.

**Turns out my dog has the same reaction to spiders on the ceiling as I do...**
