*Run: 2457*

*Date: 21 March 2019*

*Hare: Money Manfred*

*Runsite: Lembah Permai, shoplots*

The hot weather sapped moisture from the atmosphere which had most people indoors except the Harriets on a Thursday evening. Driving in at 5.30pm there was lots of space and I choose to park just where Samy would want to park the beer wagon. So I moved it down a bit on his arrival.

Money was waiting on the curb with Molly to keep him company. Goodyear came with his nephew as guest and asked directions from Money about the run and went off early. Posh came with two ladies and off they went too. The rest of the members arrived and waited for the start time along with Moira's guest Soon who was waiting for Moira to arrive. No Choice turned up with a guest but

without her shoes! A quick call home saw Wankston Churchill to the rescue with a hot delivery in a swanky Mercedes! Then all were gone!

The co-hares arrived, gossip exchanged while the thirsty ones waited for Samy to arrive.

In about 50 minutes, Take Care, M&S, Pussycat and Peter returned. After being grilled by the Hare and Co-hares it turned out they had missed the last part of the run and had therefore SCBd!! Protests that “We were on paper all the time” from the hashers were silenced when Iceman returned saying he had followed paper and had done the loop the others had missed. While most of the runners had begun to return, Posh and guests were still out and not on paper which was confirmed when she called to ask directions and Viking kindly told her what to do. Mini Sausage then went in towards the exit to guide them out. By 8pm the trio were safely returned which left only Moira and her guest still out but they returned a while later.

The crowd by this time had swelled, subsidised beer drunk and food eaten so we had a short circle.

Many thanks to Money for hosting the evening and for setting the run despite his pains! Thanks too for the food and subsidising the beer. In all a lovely balmy evening with lots of chatter and comradeship!

## Circle

1. Welcome the guests. Six guests on the night although not all in the photo. Welcome and please do come again!
2. Welcome back to Take Care who once again became a member after his so-journ of a couple of years.
3. No Choice was the obvious choice for an icing for bringing a guest but forgetting her shoes.
4. Posh was next. She went in a little early but got herself and hence her guests, lost somewhere on route. Fortunately a quick call and some directions led them home safe and sound.
5. A CFTF by Money saw co-hare Mini Sausage on ice. It appeared that during the run setting Mini honoured Money by not letting him lead and also saved him when he fell. The sign of a good co-hare!!

# Hash House Harriets Penang

6. Another CFTF by Mini Sausage put Take Care, M&S and Pussycat on ice. The crime was that these quick hashers SCBd on the trail by not following paper properly.
7. Hare on ice!! Many thanks to Money for the evenings' hosting. For setting the run and thankfully not getting seriously hurt; for the food and for subsidising the beer. It was a great night.

## Funnies

A fat guy and a thin guy meet:

Fat guy: "When I see you, I'd think a famine broke out!"

Thin guy: "And when I see you, I'd think you're the one responsible for that!"

Why hasn't there ever been a vegan to the Moon?

Because there's nobody there to whom they could tell they're vegan.

Stalking: When two people enjoy long romantic walks together, but just one of them is aware of this fact.

A child's observation: If a mother laughs at dad's jokes, we have guests.

About 4,000 years ago:

God: I shall create a great plague and every living thing on Earth will die!

Fish: \*Winks at God and slips him a \$20 note\*

God: Correction, I shall create a great flood!

Two planets meet. One moans to the other: "Can you believe it, I've got humans!"

The other cheers her up: "Don't worry, it will pass soon."
