*Run: 2459*

*Date: 28 March 2019*

*Hare: Imposter*

*Runsite: Lembah Permai, shoplots*

Hot and more hot weather, I did not really want to go to do the run, but on the other hand my bum needed the exercise! I arrived early to see if I could find somebody to go with and luckily Beauty Queen was also early and wanted to go in already. Silent Man was on the way, her normal partner, but I reckoned he will catch up with us, so he can go faster.

Imposter was already at the runsite with his cool box full of goodies. He told us how the run went so we would not get lost. And off we went. The run was the normal way in behind the Boon Siew houses. But instead of going straight into the jungle, Imposter decided to go for a walk into the plantation. The bar was on

a tree somewhere, and he told me to go back 20 meters cross the stream on the right and continue on the right. That worked out perfectly well. And we continued our run. We passed the farmer's house and we chit chatted about could we live here? Well life would be simple and not many today's worries, but then again pfff so we decided no, we could not live there. In the meantime the run went into the jungle and we huffed and puffed our way up to the hash highway.

The paper went right, but Imposter had told me there is a circle there and then you have to go back 100 meters and the paper continues on the right down.

We did not go to the circle, We saw the paper when I went looking for it more or less where Imposter said it would be.

Down paper ah nice. Still nobody caught up with us. But then again we did not catch up with Toddy either.

Then another small hill needed to be climbed and there we could here other hasher shouting. It still took awhile before the first hasher passed us, we were surprised to see it was Bommy instead of Iceman, surely he will be second, but no he was not even at the run.

So the fast runners stormed passed and were soon out of sight.

We were back at the hash highway when another group passed us. It was a broadly smiling Mark & Spencer with 4 ladies to look after. He had clearly the time of his life. He did pay a price for that later though.

Arriving back at runsite the usual crowd had gathered.

Uncle Bee was the cook, so better have a shower first and then enjoy her cooking. All the runners were out and dinner was served, very nice food,

After the circle we enjoyed the company, shared some good laughs, and it took awhile before I went home. Thank you Imposter, great evening.

*Next Week we are at Youth Park,  
Sai Seng's corner, for our Committee Run  
Please come and support*

## Circle

1. Welcome the guests. 5 guests this week with Ferrari, Karen and Period from Penang and Sun and Neil from KL who have run with us a few years ago. Welcome any time.
2. It was that time of the month to celebrate the March babies. There are only three now in March, Pukka Sahib, Suddakar and Silentman. Guess who birthday it was on the day??? Silentman, who cut the cake and enjoyed the songs. Unfortunately Pukka Sahib and Suddakar were missing.
3. The GM put Ferrari on ice next. She is leaving for Germany on the weekend and this was her farewell run until she, hopefully, comes and visits us again. Bon Voyage and good luck in your new life. We have enjoyed having you with us as a member and you are always welcome.

4. A CFTF by Bommy saw Peter @ C\*ntdick on ice. It would appear that C\*ntdick must have been taken short whist on the run but instead of going behind a tree to pee he just peed all over the bar on the trail in full view!
5. A CFTF by Tulips then saw M&S on ice. Bibi told us (and acted the part) of M&S with a BIG grin on his face as he had 4 lovely women to take care of. He was also smart enough to get guest Karen's phone number by promising to send a photo he got Samy to take of them all. Something other guys may want to try in the future!! Quick thinking M&S!!

6. Although the GM didn't actually sit on ice, Sun ex GM of KL Harriets presented the GM with a KL Harriets hat in recognition of their visit.
7. Hare on ice!! Many thanks to Imposter for the evenings' hosting. The run was very good and the food delicious.

## Funnies

What is black, sits in a tree and is very dangerous?

- A raven with a machine gun.

An English teacher asks Little Johnny: "Make an opposite of this sentence:

'Kids in the dark usually make errors.'"

- Little Johnny: "Errors in the dark usually make children."

The person who thought it's a good idea to put the light switch outside of the bathroom clearly didn't have any siblings.

My wife left me, went away. At first I was sad, lonely and didn't know what to do with myself. But I bought a motorbike, threw a wild, loud party and got to meet some other women. I think my wife may not be so pleased when she comes back again from work.

My teacher asked me to characterize myself in 5 words.

"Quite lazy."

Driving a sports car and sticking to the speed limit is like going to McDonalds' and having just the salad.

Police officer: "Sir, I don't understand. You lost the credit card a year ago, why are you reporting it now?" Guy: "The thief wasn't spending nearly as much as my wife used to..." Police officer: "But why report it now?" Guy: "I think the thief's wife got hold of it now."
