Bunny: Committee Run

Runsite: Youth Park, Sai Seng's corner

The Rupiah and Tulips story.

Youth Park, the committee run, so as a committee member you have to attend. My only problem was to find a partner to go in slightly early. When I arrived there were already a few people there, but nobody to my standard, which is slow. Take Care says go with me, but I know that story: he complains 3 times that I am slow and fat and then he runs off. Luckily at that time Money Manfred and Rupiah arrived. Are you going in: yes, okay then we go together. Short to medium run the GM said. No problem then. A thunderstorm was coming in but it still looks enough away so we could come out before that, if it would rain. We

followed the path up the hill. It does not look steep, but your legs tell you otherwise. Rupiah had a cold so it was not easy for her. But we just went slowly and took our time to enjoy the run. After 20 minutes or so the General passed us, then Viking came and passed us also. We continued our way up happily chit chatting. At some point there was paper down, but I also saw paper up, So we decided to follow the paper up, thinking we were on our paper, because we saw the paper we were about to follow during the run as well. (It turned out to be PSC paper, but that we found out way later back at the runsite). At some point we heard Good Year shouting and we thought ah finally one of the front runners is going to pass us. Now we only have to continue and wait for Silent Men to catch up. After another climb up we realized that Good Year did not pass us. Rupiah said, he sure must have taken a short cut otherwise he would already have passed us. We climbed some more up and we reached the teahouse where a lot of people were enjoying their leisure time after work. We did not see anybody we knew so we continued straight. In the meantime we said to each other, gosh the run is not so short at all. And still nobody passing us. We even talked about it that perhaps we are fast now, so they can't catch up with us. Ha ha, how wrong we were, but we still did not know that.

We followed paper all the way back to Moongate, finally we are out and before dark so all good. We walked the road back to the runsite, but the run must have done something to our brains, because when we saw the paper going up the hill somewhere after the carpark we decided to follow it. We thought it was a short cut to the runsite. Going up again we saw a snake happily slithering to find a place for the night to sleep. Up we went, but lucky for us our common sense kicked in and we decided what we were doing is wrong, we go back and walk over the road to the runsite. We came out at the playground, it was dark by that time and walked back where everybody had already arrived even Silent Man. So nobody passed us, because we followed the wrong paper, duh, and on top of that we did much more than the run actually was. Viking said, your own fault because

Hash House Harriets Penang

you girls did not pay any attention to the paper, all you did was yep yep and yep, he does have a point I must say. Anyway all back all good, time for a shower and some food. Bihoon and fried chicken, nice.

Circle time, and after that we enjoyed the evening with good company.

Circle

1. Welcome the guest. Unfortunately Kendra had left but then she really wasn't a guest. She came as a guest but left as a member!! Welcome to the Club Kendra.
2. The GM then called out Jackpot to sit on the ice. As it was a Committee Run there were those that thought subsidised beer should be given but the run was done to fill in the gaps so that the members would only have to do one run in the

Hash House Harriets Penang

year. Hence no subsidised beer. Jackpot got free beer by sitting on the ice however.

3. Rupiah and Tulips were next to enjoy the ice throne! They went in early and came out late, having followed the wrong paper at some point and hence did an extra long run. Too busy talking I expect.

4. Happy Birthday to you, Happy Birthday to you, Happy Birthday dear ICE-MAN, Happy Birthday to you. It was the day before the run but we celebrate anytime!!

Hash House Harriets Penang

5. No Choice is making it a habit of getting a cold bum as once again she was on ice. This time though it was to receive thanks for providing extra food for the evening and helping to set the run the day before.

6. The last icing is normally reserved for the Hare/Bunny but this was a Committee run and hence who better than the GM to get her bum frozen this time. A big thank you to the Committee for running the Club and for the evenings' good run and delicious food.
