## GM Note's

**Run: 2469**

**Date: 6 June 2019**

**Hare: Suddakar, Flying Duck**

**Runsite: Bukit Jambul**

The second day of Raya and the roads were virtually empty, so getting to Bkt Jambul was quick and easy for once. A smallish crowd had gathered at the foot of the Hiking trail and more were coming later as the Hare, Suddakar was having his virgin hosting.

As usual these days Botak Chin and Viking had gone in early so that they could finish in the light but the Hare said it was a short to medium run so they probably didn't need to this time around as the FRB's C\*nt Digger and guest Markus were back in 35 minutes. Others trickled in after that with most saying that paper was sparse or not there in parts of the run. It is not surprising as the run

was set on the Wednesday and we know that the local hikers don't like to have their trails decorated with hash paper. But all returned before dark having found their way and even the slow walkers such as Huge and Tiny were out in plenty of time.

The food arrived and was served but the subsidised beer was the focus of attention and was going down well. We had our usual circle and then sat and chatted into the night. I must say that the night was extra special since it was also the General's 60th birthday. Welcome to the 60s Club!

Many thanks to Suddakar, who got his hash name on the night, for his generosity in hosting and for sponsoring the birthday cake and beers.

## Circle

1. Welcome to Markus who has really taken to hashing since finding us a few weeks ago. It is unfortunate that he is leaving soon but we have made a good impression on him.
2. It was the General's 60th birthday on the day and in honour we had a cake sponsored by the hare to help celebrate. Since M&S and Imposter were also there and having June birthdays we had them join in as well.

3. The GM then called Mem Sahib to the ice. It is true we are all getting older but MS seems to forget who is a member and who is not these days! However she is a long time hash member and is one of the Club's Golden Girls!!
4. Pussycat was next to be 'honoured'. She has been MIA since she was finding it difficult to get to the runs. Since today was a holiday she could make it but the GM really believes that she finally found her passport so that she could leave the safety of George Town and head to Bkt Jambul area!!

5. Suddakar was next. The GM pointed out that he has been a member for some time but had no hash name since he generally slopes off rather quickly after the run. However now was the opportunity to give him one. There were a few suggestions, one with a play on words for his name and duck came to mind. Just as we were bantering trying to come up with suitable suggestions 'Duck' went flying backwards off the ice and landed heavily on the ground. Hence "Flying Duck" came into existence.

6. Hare on ice. Flying Duck was back on the ice rather quickly since he was the Hare of the Day. Many thanks for the virgin hosting and for the birthday cake,

food and sponsored beer. It was another successful evening with more than half the membership turning up.

## Funnies

Q: What do you get when you crossbreed a refrigerator and a guitar?

A: Some really cool music.

A man arrived in a small country town on Friday. He stayed there for three days and then left on Friday. How is that possible?

His horse was called Friday!

What button is it impossible to unbutton?

The belly button!

A guy is stopped on the road by traffic police. The police officer asks him to open his trunk – and sees 2 penguins sitting inside. The officer is shocked and says to the guy, “Sir, you’ve got to takes those two to the Zoo right away!” The guy agrees and leaves.

The next day – same place, same police officer – he is stopped again. The officer again asks him to open his trunk, and to his confusion, there are the two penguins sitting again, today with swimming hats on their heads. The officer says, “I told you yesterday that you have to take them to the Zoo, didn’t I?!”

“And I did take them to the Zoo, just like you said. And today we’re going swimming.”
