## GM Note's

*Run: 2472*

*Date: 27 June 2019*

*Bunny: Justbeer*

*Runsite: Youth Park, Sai Seng corner*

We set the run as usual on the Wednesday morning. It only took about 2.5 hours for the short to medium run, although it was tricky at the beginning due to the overgrown nature of the bush behind the stables. It was relatively simple in that from the stables we skirted somewhat picking our way through vines and then climbed up to exit on to the path leading to the old Lemongrass plot at the top. From there it was down the steep bank on the right, across the stream at the bottom and there connect with the main paths back to the top of Youth Park and home. Simple but enough to give one a good sweat and workout!

Thursday evening initially saw 26 members gathered along with 8 guests, two

being from FTAC. We also had two young ladies (Flo and Roser) turn up after being invited by No Choice to check out the world of hashing. The first to return was Peter who came back in just under 45 mins running most of the way back along the pathways. Most came back within the hour except for Pukka Sahib's guest, Kevin, who extended the run, along with Flo and Roser, by following the wrong paper.

Once all were back the food was served, with Chappati, Dhal, Pork Ball Korma, Veggies and basmati rice, all home cooked by the bunny. (It was delicious!!... Ed.)

Thank you to all the members and guests for making the evening rambunctious and uncontrollable at times. The men seem to want to take over the circle whenever they see new females, must be their raging hormones reacting with the beer!!

*Next Week we are at Leader Garden,  
for Silent Man's Run  
Please come and support*

## Circle

1. We welcomed our two Japanese FTAC guests who came to the Harriets run as they didn't want to go to the mainland for the FTAC run.
2. It's always great to see young women come to the Harriets. Flo had been invited by No Choice who then invited Roser along as well. They proved quite a hit with the men and enjoyed the run itself. This was their first time hashing and hence once again the Harriets become the Mother hash for them.

3. Guest Kevin was next to be iced for extending the run by following wrong paper. Monkey King soon joined him after being found to have done the same thing.
4. Farewell to Markus. Unfortunately Markus found the Harriets a bit late and so managed only a few runs with us but he thoroughly embraced the culture and loved the runs and companionship. He is leaving with his family to return to Germany but we hope to see him again one day.

5. A CFTF by Botak Chin saw Beauty Queen on ice. She committed the heinous crime of throwing rubbish on the ground which we do not approve of. Pick it up and put it in a dustbin somewhere.

6. Introducing our newest member Segar @ Bengkok Dick who joined us this week. He is an experienced Hasher who also runs with the Batang Hash.

7. A second CFTF, this time by guest Woodpecker saw Botak Chin on ice. The charge was for always getting Akz Holes's name wrong and calling him asshole instead.

8. Bunny on Ice. Many thanks to the GM for not only running the Club, which we all appreciate but for the good run, delicious food and subsidized beer for the evening.

## Funnies

Q: Why did God create Adam first and Eve as second?

A: Because he wasn't interested in listening to anyone telling him how to make Adam.

A boy asked his father, "Dad, how much does it cost to get married?"

Father grimly replied, "I wouldn't know son, I'm still not done paying for it."

A mother thinks there's something strange going on and eventually decides to take a DNA test.

She finds out that their child is actually not related to her or her husband at all.

Wife: "Darling, there's something really important that we need to talk about. I did a DNA test and Roger isn't our biological child."

Husband: "Of course he isn't, don't you remember? We were just leaving the hospital and the baby pooped hugely so you told me, 'Go and change the baby, I'll wait here.'"

I haven't spoken a word to my wife in years. She hates to be interrupted."

Mom, what does the stork do once he's delivered the baby?

He lies on the couch, drinks beer, watches TV, burps and farts.
