Run: 2473

Date: 4 July 2019

Hare: Silent Man

Runsite: Leader Garden

Burst, Imposter

Numbers down today due to celebrations of the US Independence Day, (well, perhaps more likely hashers getting an early start for the Pi Langkawi run). I'm guessing 25 or so, hashers.

3 guest, I think, including our long term guest Period, (come on Moira, pay those subs).

After Speedhound called the circle, welcomed guests etc etc, Silentman set us off for a short to medium run.

It's been a while since I ran at Leader Garden, so I expected the trail to be overgrown, not quite. The entrance, albeit with a recent tree fall and a mouse trap complete with dead mouse, was relatively clear.

We headed up the normal trail to the right eventually skirting around the quarry. Not sure we will be using this trail much longer as there was a spring bubbling away next to a recent landslide, which probably means another landslide will be coming soon.

Continued on by the stream heading towards the waterfall where I made the first mistake heading straight up, rather than to the left and the first hill climb, which turned out to be a pleasant not too steep trail. However, the excesses, (read weight gain) of my recent trips began to slow me down, so I waved Goodyear and Tan through.

No Choice too had slowed to a standstill, complaining of pregnancy or something like that.

There was some evidence of what I assume were poachers camping out either catching birds or some other treasure.

After some ups and downs along the trail we started out heading back, making a loop where I think a couple of hashers SCB'd. No names, but I'd let them pass earlier.

We eventually made it back to the main trail where Silentman and Beauty Queen were directing us onto the home trail, rather than doing another circuit of the run.

I reached Sammy's rejuvenating Ale shop after 1 hour, with a couple of SCB's and Botak, the early starter, already back. Money had kept Sammy company while we were on the trail.

The hare fed us with Chicken, Fish, Veggies and Rice and subsidized beer. Thank you for another great Harriets run.

Circle

1. Period was first on ice, and enjoyed a chorus of Mrs Murphy.
2. I was then called to cool my bum for being away for a while,(and had to sing my own song), but apparently it wasn't really me, but somebody called Jurgen, consequently Speedhound cooled her bum for a while, for poor recognition skills.

3. Speedhound on ice.

4. Silentman was next, and was thanked for setting a good run, (2.6km), and the food. As is appropriate, I sang him a silent version of swing low. Imposter, (or is it Jurgen?).

Funnies

A guy asked at a skydiving school, “If the chute doesn’t open and the reserve doesn’t open either, how long until we hit the ground?”

The instructor looked at him and said, “The rest of your life.”

But mum, I don’t want to go to America.

Hush child and keep swimming.

Why did the one-armed man cross the road?

To get to the second hand shop.

Why have trips to England become so popular with Siamese twins?

It gives the other one a chance to drive a car, too.

Two cannibals are chewing a clown. One says to the other: “Hey, does it taste kinda funny to you?”

A man visits a doctor for a checkup. When it’s over, the doctor tells him he has bad news. “You have only six months to live.”

The man digests it for a while and then says, “There’s just one thing I can do, I have to become a Communist.”

Surprised, the doctor asks, “But you’ve been a patriotic American all your life, why would you become a Communist now?”

The man says, “Better when one of them dies than one of us!”

Chinese boy pleads with his Grandpa, “Granddad, can I have a dog? Please????!!”

Two hours later says Grandpa, “Enjoy your meal, my boy.”
