VGM Note's

Run: 2479

Date: 15 August 2019

Bunny: Rupiah

Runsite: Permai, Shoplots

We had a reasonably a good turn out for Rupiah's run. Although it was raining the whole morning till late afternoon. The bunny must have done some prayers to clear off the rain just before our run. Peter and Susan our regular guests from Australia were there. Eight guests from the bunny. Welcome to our club.

Bunny nowhere to be seen, busy cooking la. Better half said it's a medium to short run about 4km.

Off we went by the old police podok and went up the usual way till we hit the hash highway. From there we kept going for about a mile. With the rain it was nice and cool to be in the hill. As we reached the highway we kept going before

Hash House Harriets Penang

turning to the right.

It was a beautiful on down with some fruit trees around. As we reached the bottom we saw some farmers houses. As we were passing by some foreign workers were feeding the dog and puppies (hope not for the pot).

Generally it was a great run with wonderful home cooked western food by our bunny. It was a great evening. Many thanks Rupiah.

Run completed on 8/8/2019 – Iceman's Route

Thorns, bats, mosquitoes and more!

It was just another Thursday evening, which meant it was time to venture in to the jungle! I took a grab to Charlie's market only to find it empty - but I figured if I headed toward the hills I would find the group - and lo and behold I saw runners ready to go!

After a quick intro, we ascended the metal stairs and away we went! What a glorious trail it was - passing through the Chinese cemetery and as usual, many beautiful plants! At one point I looked through the bushes to see 'iceman's route'

Hash House Harriets Penang

stapled to a tree and the tree and surrounding scenery was so beautiful I felt like I was in a dream!

I kept up with the front pack pretty well until I had to stop to take a pic of the route marker stapled to a branch of thorns (so cool!) so alas I did most of the route by myself. I stayed on paper until at one point I came across three papers stapled across a small log. Apparently I'm not so bright so did not take this as a 'bar' to indicate it was the wrong way. So I merrily stepped over it and went along my way, following paper for another hash route...but then I thought 'this isn't right - I need to see iceman's route.' So I retraced, stopped, and looked around as bats (who were blind as a bat!) swooped and swished near my head. I pondered, and slapped mosquitoes - where do I go from here? Then I went back to where I saw the last iceman signs (it was actually the bar) and saw I needed to practically do a u-turn. Ohhhh!

So I got back on track, dodged some more bats, avoided the thorns and made it back. Many had beat me back and were drinking and enjoying the cool evening. I had just a few bug bites so hardly a scratch so I counted that as a win. I was horribly dirty and sweaty, but in a good way, and I reveled in the fact that my muscles would be a bit sore the next day.

I'd survived another hash! And I can't wait for the next one!

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. *(Yes, it's a mixed run)*. This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
