## GM Note's

**Run: 2480**

**Date: 22 August 2019**

**Hare: The General**

**Runsite: Youth Park, Sai Seng Corner**

We had 12 guests and 21 members present on Thursday for General's run. The run had been recced on the previous Sunday but paper was only laid on the day by the Hare and his co-hares.

The trail began through the former stables, down to the stream and up into the bush. At one point paper was clipped going between a gap through the rocks. I have a phobia of crawling into dark confined spaces so No Choice and I found an alternative (and easier) route through the bush. The trail took us past the Muslim shrine and on to an open path. That didn't last long however as we once more went into the bush.

Skirting up and down we eventually reached Batu Gantung and so started the climb up towards the upper pathway. Silentman was with me at this time as the others had pushed on ahead. The light was fading and I had no torch but thankfully Silentman was fully prepared. Again the paper was heading towards another 'tunnel' but we found another route around it and we carried on up with the comforting light and presence of Silentman leading the way. We reached the top and made our way down the path to exit back in Youth Park. A relieved Hare was waiting for us when we arrived. We had a quick circle as time was pressing and then ate and enjoyed the rest of the evening.

*Next week there has been a late change of hare and venue. Next week's run is now being hosted by Marks & Spencer at the Nirvana Penang West Lake Garden (the new Road just before Kek Lok See Temple). Please come and support him.*

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Circle

1. Welcome the guests...all 12 of you but some had left before circle time.
2. The GM then put the hare on ice. Prior to the run starting the GM asked the hare how long it would take her to complete? The Hare replied she should be out by 9pm. It was 8.35pm when she actually returned. So his prediction was correct. (I wonder if he is any good at predicting the 4D numbers ? Ed.)

3. The GM then put the VGM, Speedhound, on ice to represent the Committee who had done a sterling job in running the Club in the GM's absence. Team-work is the essence of a good Committee!
4. The final icing was of course to say thank you to the hare, General. Not only for the good run but good food and for subsidizing the beer.

## Funnies

Are you two twins?

No, why do you ask?

Because mommy dressed you both in the same clothes.

OK that's enough, your driver's license please.

Two years ago I asked the girl of my dreams on a date, today I asked her to marry me.

She said no, on both occasions.

Insurance clerk: "Where were you born, Sir?"

Man: "In the United States."

Insurance clerk: "OK, and which part?"

Man: "My entire body."

My wife is a bit weird. She always starts her talking with "Michael, are you listening to me?"

A man hired a lawyer when he got sued by his company for embezzlement of many millions. At the beginning of the process, the lawyer kindly reassured him: „Don't worry, you'll never go to jail with that amount of money.“

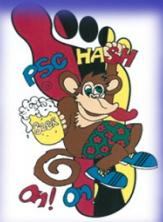

And the lawyer was right. When the man did go to jail eventually, he didn't have a penny anymore.

Just came home from a training session. Two hours on the treadmill did me really good. If only I could somehow stop the constant beeping and the irritated comments of the cashier.

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
