Run: 2481

Date: 29 August 2019

Hare: Marks & Spencer

Runsite: Nirvana Penang, West Lake Garden

M & S set the run on the day with his co-hare Silentman. In the evening 20 hashers and 3 guests arrived to do the run except those on MC. Since we were at the bottom end of the road leading to the dam some chose to hike up to the dam whilst the keen ones did the set trail.

As usual I was with the slow runners along with Beauty Queen, Bersih Queen, Flying Duck and Silentman who was doing the run again. Just past the steep on up and closed gates of Kek Lok Si there was a huge bonfire burning and people praying. According to the hare the day coincided with the end of the Hungry Ghost festival and all the ghosts were being given a big send off back to Hades!!

We climbed up the road a bit further to the second entrance gate leading to the Guan Yin Statue and entered here. We then walked through to get to the tar road the other side and into a leafy road. A short distance and the trail started going up till we reached a fern covered plateau. Even here were lots of plastic bottles left irresponsibly by people. On and on we went through the ferns when we suddenly saw Botak Chin going down on the tar road adjacent to the trail we were on. Beauty Queen urged Flying Duck to short cut but he was more intent on the trail and kept going with us. It went down and down at this point and then skirted around. I was in front and suddenly I felt a sharp sting. My call of "BEES!" had the others running in all directions but not all escaped.

We continued skirting and at one point were very close to the playground just before the dam. It was here the trail headed up and out onto the tar road to head down and 'home'. Lilian @ Bersih Queen picked up the pace as the light was fading and I had a hard time trying to keep up with her. The others took their own sweet time but we got back about 7.45pm.

Food had been served and there was so much that people were going back for seconds and thirds. M&S requested a quick and early circle since as it was clashing with his bedtime which we accommodated.

Thank you Mark for a good run, great food and for subsidising the beers. No Choice also subsidised two crates as it was her birthday on the 31st Merdeka Day!! Thank you also. The rest of the evening was spent chatting and quaffing beers on a beautiful cool evening and no rain!! Well it was Nirvana after all!

Circle

1. Welcome the guests...Dennis @ Pukki Merah, Peter and Susan (who unfortunately are leaving us once again to return to Australia but will hopefully be back again next year). Dennis was given the honour of sitting on the ice.
2. The GM then put Beauty Queen on ice. Her crime was to try and NOT do the run and trying to coerce Flying Duck to short cut with her.
3. It must be cold in December as we had 10 August birthdays to celebrate this month. Take Care's birthday was actually on the day but unfortunately he was a no show this week. However No Choice's birthday is on Merdeka Day and so she was given the honour to sit on ice. Other attending birthday members gathered around for the cake and candle ceremony. Happy Birthday to All.

4. The GM then put Goodyear on ice. He hadn't joined the circle but was across the road playing with his phone. "Business" he said but the GM thinks he was more interested in the phone numbers he got whilst in Thailand!!

5. A CFTF saw iceman put Oyster Licker on ice. Iceman related that normally when someone shouts "Bees" you run like crazy to get away from them. However today Oyster Licker just stopped and tried to look for them causing those behind to get stranded and some stung whilst Oyster Licker didn't get any at all!!

6. A second CFTF by Iceman saw Rupiah on ice. Iceman explained that he knows all about skirting on the Hash but it was the first time he had seen Rupiah actually wearing a skirt to hash!! (But there is no photo. Sorry..Ed.)

7. Hare on Ice. Many thanks to Marks & Spencer for a successful hosting. It was a very good run, great and plentiful food and for subsidising the beer. (Thanks to No Choice for her subsidy also). It was another great evening!

Funnies

Mommy, why are all the cars beeping their horns?

Because there's a wedding going on.

But isn't the horn a warning signal, Mommy?

Exactly, son.

My husband and I had very happy twenty years. After that we met.

“I've had it with your silly remarks about my weight. I'm leaving you!”

“But honey, what about our child?”

“What child?!”

“Oh, so you're not pregnant?”

Wife to husband: “Honey, guess who's not wearing any panties and bra today?”

Husband, “Ah, that's why your face looks so stretched today!”

Childhood is when you go to the toilet in the night and then you run back and jump in your bed, glad that the monster under the bed didn't get you.

Adulthood is when the monster lies in the bed next to you.

At a medical check-up:

Do you do dangerous sports?

Well, sometimes I talk back at my wife.

Arguing with the wife is a lot like trying to read the Terms of Use on the internet. In the end you just give up and go “I Agree”.

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
