Run: 2482

Date: 5 September 2019

Hare: Viking

Runsite: Quarry, Botanical Gardens

Akz Hole decided he would do the run with me as I wanted to go in early but not alone. By the time we got ready and arrived at the quarry it was already 4.40pm so we headed straight for the PBA pump house at the top of the gardens. The entrance was the usual one just passed the PBA and was well marked once you entered the bush. The trail was well trodden and we ended up at the waterfall which, despite not having so much rain of late, was in good flow and very picturesque.

The trail then took the usual path up to the hash highway and then up through 46 with a troupe of monkeys playing around, across the road and into the bush

trails once more. Here we were overtaken by Imposter who had helped lay the trail the day before and was retracing the route to ensure all the paper was in place for the evening. He didn't stop and was soon gone.

As we made our way I overtook Akz Hole as the trail was familiar to me and I chose to "walk the log" as AH made his way around it. Down and down we went and at a cross-roads the paper went left but I thought it should have gone right. However AH was tired by this time and urged me to "follow paper". Light was beginning to fade and I didn't fancy being caught in the dark so we hurried on. We soon passed a stream with wet rocks and AH slipped and landed heavily on his back. Muttering under his breath he got up and continued the seemingly never ending route down. We finally emerged by the drain and headed down the path to the runsite. It was just after 7pm by this time.

Others followed but it was dark by this time. By 8pm all were back even Pimp however the Hare was concerned about guests Suan and Matthew who had gone in late with an even later Period.

Since I had started early no-one had any guest numbers and it was somewhat confusing whether period had actually gone in at all (something we need to address for the future). Around 9pm torchlight was seen coming out of the bush and the three guests finally arrived back after having lost the paper many times in the dark and at one time were following the wrong paper. The Hare, Viking, was very relieved and all smiles knowing all were now back safely.

We had had the circle by this time and the members were sitting and chatting in lovely evening cool. The food was excellent and plentiful with most going back for more. Viking had also subsidised the beer which had the beer drinkers in 'heaven'. Thank you Viking for a very good run, delicious food and for subsidising the beer. It was another great evening.

PLEASE NOTE: Next Thursday 12th September many members are heading to KK for the Borneo Nash Hash. I too am going and so is Samy the beerman. The run will be a Committee run at Bee Gallery for those staying. Food will be available BUT NO BEER. If you want beer you will have to bring your own or organise it.

Circle

1. Welcome the guests...Dennis @ Puki Merah, Pam and Steve @Woodpecker.

4. The GM then had a charge against Imposter after having ascertained who did the clipping the day before. The reason was that she had spotted that the girl on the logo paper was either upside down or sideways. Hence not enough care taken in clipping the paper.

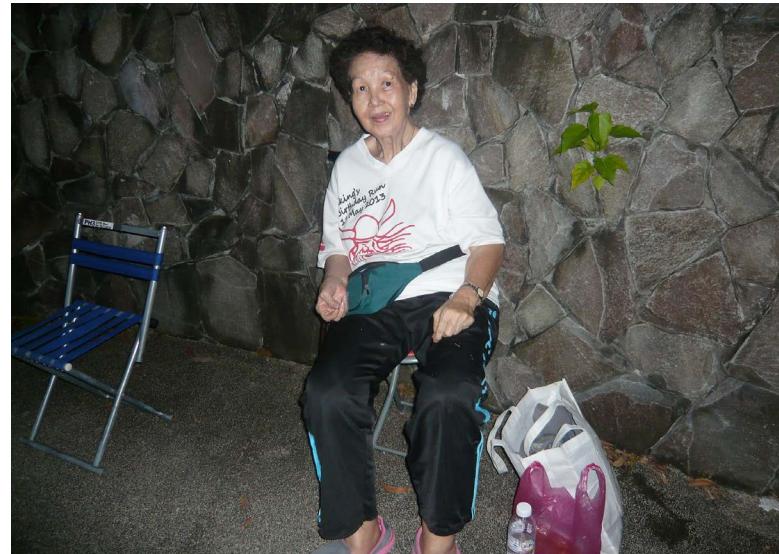

5. A CFTF by Viking saw co-hare Botak Chin on ice. Apparently he was asked to clip the arrow part of sign but did it wrongly and going in the opposite direction to the run!!

6. Hare on Ice! Many thanks to Viking for the very good run, great food and for subsidising the beer.

Lin Khay Chinese School, Sri Astana, (Off Eastern By-Pass Sungai Petani)
Registration : RM80 untill 31st October 2019 & RM 100 in November 2019

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
