## GM Note's

**Run: 2485**

**Date: 26 September 2019**

**Bunny: Tiny**

**Runsite: Mount Pleasure**

Despite the thunderous weather of late (although not on Thursday thank goodness) we had 20 members and two guests turn out for Tiny's run at Mount Pleasure. This was the first year that Tiny did not set her own run but Huge had spent a lot of time recceing and then laying the paper with Period to help. I didn't do the run nor set, so I haven't anything to say about it other than everyone said it was a very good run, slippery in parts and took the FRBs about an hour to complete. Even Take Care passed remarks how good the run was! So kudos to Huge and Period.

The food of vegetable soup, fried chicken and rice was delicious with cake for

desert and together with subsidized beer made for a wonderful evening and even the rain held off.

Thank you Tiny for the evening's hosting. It was a lovely night.

*Next Week we are at Youth Park,  
Sai Seng Corner,  
for Snatch & Grab's Run,  
Please come and support*

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

## Burst by Hasha

My name is Hasha, a global citizen by heart, Austrian by chance and Turkish by name, looks and parents and currently a short-term local of Penang. I have discovered the Hash House Harriets through Annelies Allain, a longtime hash enthusiast. I had hiked many hills of Penang earlier but my Hash experience was

# Hash House Harriets Penang

nothing alike. The first time I joined the Hash House Harriets of Penang, I felt like the new adopted child of this patchwork family with members of all shapes, colours and shapes who all assure you that you will be taken care of during the hike, meaning they will make sure you come back safe and sound. The hike itself was an adventure itself, crawling through the jungle, running against time as the sun is about to set, making sure to have a firm grip and catching that next possible liana to hike up and down while watching out for small pieces of white paper that indicate the neatly set-up trail. On my first hike, I could to keep up with the front-runners who suggested to go off the set trail and take a detour to the famous top of Station 5 to have some local coffee. I should perhaps stress for newbies to never to go off-trail, especially if you are alone, inexperienced and during twilight, however, you can definitely trust longtime hashers, they definitely know their way in and out the jungle. My first Hash hike ended with delicious home-cooked food, delightful conversations with locals, followed by some singing, teasing and lots of laughing. Hash has been a unique experience so far and I can't wait to discover more of Penang's hills.

Cheers.

## Circle

1. Period on ice for not only enriching the Club's coffers by paying every week but this week for helping to set the run and then going back in after the heavy rain to ensure all was well.
2. Guest Hasha was next as an introduction to all assembled and to say welcome. She is from Austria and will be here for another couple of weeks and promises to hash with us while she can. She'll fit in well with a name like Hasha.
3. Huge likes to set his and Tiny's runs and this time was no exception. However as no one has really run from Mount Pleasure for a long time the paths were very overgrown and it took a total of 8 hours to lay the trail over a couple of days.

4. Marks and Spencer was charged with being MIA. His reason was too much Haze. But the rest of us ran we told him!!

5. Bunny on ice! Thank you to Tiny for hosting the evening. A good run by all accounts, great and plentiful food and subsidized beer. What a lovely evening we all had.

## Funnies

“What the hell, are you insane?!”

„What? Why? I thought we agreed we’re going to throw our sorrows overboard on this Caribbean cruise!”

“Yes, Roger, but this was my mother!”

A neighbor comes to Mr Myer and says, “Your dog bit my mother in law!”

Mr Myer is horrified and apologizes, adding sadly, “You’ll probably be wanting financial recompense, won’t you?”

“Absolutely not!” smiles the neighbor, “I’d love to buy the dog!”

She: “Honey, I don’t like you with the new glasses on.”

He: “But sweetheart, I don’t wear any glasses.”

She: “True, but I do.”

When a woman says something like “Do what you want”

– seriously dude, don’t do what you want.

Stand still as a statue. No blinking. Play dead.

A wife hangs up after about a half-hour on the phone.

The husband is surprised, “Wow, that was quick – usually you women are at it for two hours at least!”

“Yeah, well, it was a wrong number.”

My wife told me to go and get something that would make her look sexy. So I got drunk.

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
