GM Note's

Run: 2486

Date: 3 October 2019

Bunny: Snatch & Grab

Runsite: Youth Park, Sai Seng Corner

It's Nine Emperor Gods Festival which also coincides with the rainy season! Snatch & Grab plus John were going to help set the run but due to miscommunication did not make it. Along with No Choice and Silentman, Akz Hole and I did a familiar run at the back of the Info Centre, skirting towards the Muslim Shrine at Jesselton and then up the trail next to the watertank. The well marked path took us up to the viewpoint overlooking the Turf Club and then up to the pathway leading from the old Lemongrass area up to 39/45. The Lemongrass is no longer there however but the name remains and is well known by older hashers. Instead of turning right to head down towards Youth Park, we crossed the

Hash House Harriets Penang

pathway and made our way down the steep bank on the other side, crossed the stream at the bottom, climbed the bank and hit the middle pathway. Here we turned right but very quickly turned right again to come down the trail leading to the Bougainvillea Garden above Youth Park. From there it was an easy short trek back to the runsite.

In the evening the rains thankfully held off and a record 67% of the membership turned up along with 7 guests. Guest Juliana was first out in 1 hour 10 mins whilst the last were back by 8pm. Chicken curry, rice, mango chutney and poppadums were devoured eagerly along with crates of subsidised beer. A short circle followed and then back to chatting and drinking in usual hash style. The rains finally started late in the evening which dispersed all but the hardiest hashers who were still intent on having even more beer!

Thank you to Snatch & Grab for her virgin hosting. It was a lovely evening and thank you all for turning up and making such a great crowd.

*Next Week we are at Jalan Ketitir,
for Guna's Run,
Please come and support*

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Circle

1. Welcome the guests, Gray Ham and Woodpecker from Penang, James @ Son of Skala, from Melbourne and Hasha from Austria. (Also there was Juliana, Period and Bananaman not in picture)
2. Welcome back to our long missing members who have been overseas for many months, Fancy Pants and Fancy Panties, Mini Sausage and Bibi Tulips.
3. Snatch & Grab was then called out by the GM along with John. They were supposed to come and help set but miscommunication (what else in Hash??) saw them miss out on the run setting completely.

4. A CFTF by Iceman then saw Snatch & Grab back on the ice. Iceman wanted to know why she was so popular as so many had turned up and he hadn't seen that many at a Harriet Hash for a long time!!
5. A CFTF by Tulips then put Snap Cop on ice. Before Tulips left for Europe she

Hash House Harriets Penang

attended Snap Cop's run and twisted her ankle. She had bought some lovely high heeled shoes to wear to a function when she arrived but because of her swollen ankle she had to wear flats much to her annoyance.

6. A second CFTF by Tulips saw guest Son of Skala on ice. He had been communicating via the Onsec's mail and asking questions regarding the haze (now gone) and the rains. We are hashers she told him. We run in any conditions. Are you a wimp or what??

7. Happy birthday to you!! It was the GM's birthday the following day and so it was decided to have the monthly birthday celebration early. It is also Akz Hole's

Hash House Harriets Penang

birthday in 2 weeks time and so we celebrated together.

8. Bunny on ice. A big thank you to Snatch & Grab on her hugely successful virgin hosting. It was great to see so many turn up and support her too. Many thanks for the very good run, good food and for subsidising the beer for the evening.

The English language is a bastard child of German and French that was raised by the Vikings.

It is more probable that you will get killed in your own home in the next half hour than that you will win the lottery.

I wonder how much money the phrase “Keep the change” cost me so far.

Even though most cars have electric windows these days, the phrase “roll your window up / down” seems to stay.

Gyms should offer a very cheap basic membership, but charge a penalty for every day you didn’t turn up.

Funny you rarely get muscle ache in your tongue, no matter how much you speak.

A birth certificate could easily be called a baby receipt.

People who take snapshots of their food are made fun of today. But remember that for instance in the Renaissance, a person was willing to spend hours painting their bowl of fruit and people admired what they were doing.

Cinderella must have had some seriously deformed feet if her shoe wouldn’t fit anybody else in town.

Dog food cans advertise they come in all sorts of different flavors but I’ll never know if it’s true unless I am willing to taste it.

Lin Khay Chinese School, Sri Astana, (Off Eastern By-Pass Sungai Petani)
Registration : RM80 untill 31st October 2019 & RM 100 in November 2019

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
