## GM Note's

**Run: 2491**

**Date: 7 November 2019**

**Hare: Mini Sausage**

**Runsite: Behind Island Resort**

Bibi Tulips, Rupiah, No Choice and I decided to go in earlier at 4.30pm to do the run. The Hare, Mini Sausage is known to have set virgin runs on difficult terrain and this Thursday was no exception!! The only comforting thought was that it was not said to be a long run.

Rupiah wasn't there when we started but caught us up with some urgency as she doesn't like to be alone in the jungle, as we struggled through overgrown trees, climbed up the slippery slopes and stepped on rotting vegetation. Just when one thought the worst was over there was another On Up, skirting and a different challenge.

Going in early gave us a chance to sit and rest, chat and look at the surroundings. The rains had softened the ground making it slippery but the worst thing was the views of the plastic bottles and rubbish even this far up the hillside. What a disgrace!!

We finally started going down and heard voices catching us up from behind. It was Itcy with 2 very fit young ladies, Julianne and Lucy, in tow. They were so fast they breezed past us even as we got entangled in vines going down.

We breathed a sigh of relief upon reaching the runsite. The other Hashers who went on time made their ways out after us except for Pimp was last to make it out but even he wasn't that late.

In the meantime the Hare had headed home for the food and soon the tantalising smell of onions, sausages, together with a potato salad filled the air and had everyone salivating in anticipation. It's been a while since we had sausages made and then cooked by the Host himself and they were delicious!! The subsidised beer flowed freely as Hashers joked, ate and gossiped in the cool air.

We had the circle with all the guests becoming invitees, Bananaman, Shark, Julianne, Lucy, Moira and Itchy.

Thank you to Mini Sausage for the wonderful evening's hosting. A tough set run to ensure we all had great appetites for the delicious food that followed. Not forgetting the subsidised beer of course!!

Note's from the On Sec:

We had a few guests from the Hare, Itchi, Shark, Lucy, Juliana, Bananaman and Period. Not a great turn-up, some members in China. But good enough. Mini and W'Anchor had set the run on Wednesday. He said not a long run, but it's a virgin run, which will make it a challenge. I decided to do the run, since the cooking was more or less done. I know that starting at 6pm would be too late for me, having not been in the jungle for 7 months. Luckily Justbeer, No Choice and Rupiah also wanted to go in early. Rupiah came slightly later, but she caught up with us. In we went, it was slippery, crawling, vines and indeed challenging. But it was great to be back in the jungle. Only here you can have the best sweat out. It was not always easy to go up, since there was not always something to hold on to. Bananaman said later, this is a hash run where you use all your muscles and they hurt a little already! We fully agreed.

Slowly but steady we made our way up, yes done but no not really. The down was a challenge as well, slipping and sliding we went. Taking our time, since we did not want to end up in the hospital. When we were almost out we got passed by the 2 girls and Itchy. Bommy was slightly injured and could not keep up with the girls so Itchy took advantage of that and he had the girls for himself, ha ha he wished because he could barely keep up with the girls. They were fast. Then Bommy passed us and he told us how he got injured.

Rupiah and myself decided to have a proper shower in my house, so we came all clean back to the runsite, where everybody was out of the jungle. W'Anchor also came for dinner and it was a lively group of hashers.

Dinner was served and it was sausages with potatoe salade. Period made some well intentioned remarks, but the gentlemen took it different and the “sausages flew” everywhere. Take Care stayed for dinner and also had a plate which he completely finnised.

After the circle was closed the evening was not closed at all and it stayed happy and noisy for awhile. When it was time to go, only then the rain started. Another great Harriets evening.

## Circle

1. The GM singled out first Bananaman from the invitees as a gesture for his continued support of the Harriets although not a member.
2. The GM then called out Julianne and Lucy who were more than willing to sit on the ice. They thoroughly enjoyed the run and hopefully will be back for more.
3. Shark was next on ice. He was being his usual disruptive self and what better reason to put him on ice!!

4. Western food is not something that Take Care normally eats as he loves his rice but tonight was a definite exception as he wolfed down the sausages without a care in the World.
5. A CFTF by Bommy saw Period on ice. Her crime was to complain that the

# Hash House Harriets Penang

sausage she was given was bigger than the bun and hence was sticking out at both ends. Fancy not knowing how to handle a big sausage!!

6. Hare on ice! Thank you Mini Sausage for the evening's hosting. It was a tough, slippery run, great homemade and self cooked food, subsidised beer and a lovely friendly atmosphere on a cool evening. Terrific!!

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. (Yes, it's a mixed run). This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
